

JJRM Flooring Expands to West Wickham, Bringing Top-Quality Services to the Area

September 24, 2024

LONDON, UK - September 24, 2024 - PRESSADVANTAGE -

JJRM Flooring Ltd, based in London, UK, has announced that it is expanding its services to the West Wickham area. This professional floor fitting company specializes in a wide range of flooring options for both homes and businesses. The expansion aims to offer more comprehensive service coverage in the South East London region.

JJRM Flooring Ltd provides a variety of flooring services. These include Luxury Vinyl Flooring, Laminate Flooring, Engineered Flooring, Solid Wood Flooring, Carpet Flooring, Commercial Safety Flooring, Wooden Floor Restoration, Carpet Whipping & Binding, and Floor Repair Services. The company has built a strong reputation for high-quality installations and a commitment to making customers happy.

"Expanding to West Wickham and nearby areas means we can bring our expertise to a larger community," said Riedwan Khan, CEO of JJRM Flooring Ltd. "We want to deliver the best flooring solutions with top-notch professionalism and attention to detail."

With the inclusion of the West Wickham area, residents and business owners here will have access to various flooring options. Luxury Vinyl Flooring is known for its diverse designs, durability, easy maintenance, and affordability. JJRM Flooring also offers Laminate Flooring, which is a budget-friendly option that resists water, scratches, and dents.

The company's Engineered Flooring serves as a more cost-effective alternative to real wood while still offering a durable and attractive appearance. Solid Wood Flooring services provide the natural beauty of 100% real wood. Carpet Flooring services aim to create a cozy and stylish interior, which also helps to reduce noise and improve comfort at work.

Commercial Safety Flooring is another area where JJRM Flooring specializes. They focus on anti-slip safety

flooring for business settings and work with leading brands to ensure high-quality and reliable solutions.

Beyond installations, JJRM Flooring Ltd also offers Wooden Floor Restoration services. This includes sanding, polishing, and lacquering real wooden and engineered wood floors to bring them back to their original condition. Their Carpet Whipping & Binding services allow for edging carpets to create attractive rugs and runners, which add a decorative touch and prevent fraying.

Floor repair services by JJRM Flooring cover all floor types, including LVT and carpet, ensuring professional fixes. This service also includes filling gaps in Solid or Engineered hardwood floors to maintain their look and function.

JJRM Flooring Ltd provides quotation services, fitting, and installation guides to help customers choose the best flooring solutions. Their website features a portfolio of completed projects and visual tours for prospective clients.

"We are excited to extend our professional flooring services to the West Wickham community," Khan added. "Our team is committed to delivering exceptional workmanship and customer service."
