These cases might involve multiple vehicles, drivers under the influence, uninsured motorists, or result in severe injuries like traumatic brain or spinal damage.

Being named on the Texas Rising Stars list is a testament to the firm's outstanding work and dedication to its clients. This distinction is given to lawyers known for their professional excellence and high peer recognition,

showing Charles Sanders' ongoing commitment to his practice.

A client, Latrisha McVay, shared her positive experience with the firm after her commercial accident case. "A very grateful satisfied client," she said. "Not only is the office immaculate, this is the best law firm I have used hands-down and I've had a few cases in the past. In the past, I've felt left in the dark and had cases that should take a year or two to go on for years to be left with a penny. Not with this law firm. Every question I had was answered."

Latrisha's words reflect the firm's focus on good communication and client care. She specifically praised her lawyer, Chuck. "Working with my lawyer Chuck was the first time I felt confident in a lawyer. He was honest about everything from the jump and worked quickly. I didn't even know that it was possible to find a lawyer. Every question I ever had was answered, however, he was so upfront and informative that I rarely had any concerns. I've never felt that with a law firm before. If I can give him 6 stars, I would give him 6 stars," she added, finishing with heartfelt thanks, "Thank you so much for everything you've done. You have changed my life for the better. I do recommend this law firm."
