October 28, 2024 - PRESSADVANTAGE -

Home Instead Totton, a trusted provider of in-home care for seniors, is thrilled to announce the expansion of its services with Home Care in Totton. Available since 3 July 2019, This service has been adapted to meet the varied and expanding requirements of senior citizens in Totton. It provides individualised care that enables senior citizens to continue living in their own homes with security and independence while also maintaining their dignity.

"We are proud to be able to bring professional and compassionate care to the Totton community with minimal wait times, thanks to our locally based team of experienced care professionals," said Tim Oswald, Owner of Home Instead Totton. "Our goal is to ensure that seniors receive the support they need, right when they need it, so they can continue living the lives they love, right here in Totton."

The Key Features of Home Care in Totton

The Home Care in Totton service prioritises each individual's needs, offering:

Personalised Care Plans: Every client's care plan is customised to ensure that the services provided are suited to their personal preferences and health needs.

Highly Trained Care Team: Their care professionals are expertly trained in dementia care, personal care, and safety protocols, making them well-prepared to deliver reliable, high-quality care.

Service Availability and Flexibility: With professionals living locally, they are able to meet demand and provide timely, compassionate care, even on short notice.

Comprehensive Support: In addition to personal care, services include companionship, assistance with daily

activities, and health monitoring.

The personalised approach that has become synonymous with Home Instead Totton has already earned positive responses from local families. "We have been using Home Instead Totton for a number of years now and have been impressed with the level of care and attention they provide. It's made a huge difference to the Rafferty family knowing mum and dad are safe and sound at home," shared a Totton resident.

A Commitment to Quality Care and Local Availability

Home Instead Totton is and always has been committed to delivering care that families can trust. "Our team is not only skilled but also genuinely cares for the people they work with, and we strive to make a positive impact every day," Tim added. "One of our care professionals recently shared, "It's an absolute pleasure working for Home Instead and being able to make a difference." It is this dedication that makes our team exceptional."

About Home Instead Totton

In 2019, Home Instead Totton was established with the mission of delivering senior care services in the comfort of the client's own home that adhere to the highest possible standards of safety and respect. Home Instead Totton, which is a part of a global network, provides a variety of in-home services specifically designed to support the freedom of elderly citizens. These services include dementia care, companionship, personal care, and assistance with everyday activities. Because their staff has its roots in Totton, they are able to respond swiftly to the needs of clients and minimise the amount of time they have to wait. This ensures that elderly citizens receive the care they need at the time when they require it the most.
