JURUPA VALLEY, CA - November 12, 2024 - PRESSADVANTAGE -

Riverside, California ? Resurgence Behavioral Health, a leading addiction treatment center in Riverside, California, has earned a top review from a former patient who shared a powerful testimonial of transformation. Shannon's journey from despair to renewal underscored the exceptional services and compassionate support provided by Resurgence California.

"Not enough can be said about this rehab; it is truly a life-changing experience. If I could give it six stars, I would," Shannon wrote in her Google review. "Salvadore Montes and Tyler Lombard, along with their team of techs?Sierra (the best father I ever had), Derek, Oscar, Yasmine, Journey, Jessica, Alicia, Deanna, Sonia, Ron, Crystal, Christian, J.J., Sabrina, and all the people whom I haven't mentioned?truly made my transition from death into life. I can't say enough about Resurgence that would do them justice. Thank you for saving my life. Your team treated me like family the moment I stepped off the plane. You made my transition from being strung out to being a productive member of society, hungry and thirsty to help the next addict. God bless you."

Resurgence Behavioral Health offers a comprehensive range of addiction treatment services, including alcohol detox, drug rehab, and dual diagnosis treatment, all designed to address the unique needs of each individual. As an inpatient addiction treatment center in Riverside, the facility provides accessible care for those searching for "alcohol rehab near me" or "drug rehab near me," offering hope to individuals and families battling substance abuse.

The facility's programs are tailored to support patients at every stage of recovery. The medically supervised alcohol detox program ensures patients withdraw safely and comfortably, laying a strong foundation for long-term sobriety. Resurgence's drug rehab services utilize evidence-based therapies to address the underlying causes of addiction, empowering patients with the tools they need to achieve lasting change.

Resurgence Behavioral Health's partial hospitalization program (PHP) and intensive outpatient program (IOP) offer flexible treatment options that combine structured therapy with the ability to maintain daily responsibilities. These programs provide comprehensive support while allowing patients to reintegrate into their everyday lives gradually. The facility also emphasizes the importance of aftercare, providing ongoing resources and support to help patients sustain their recovery journey beyond initial treatment.

The dedicated staff at Resurgence Behavioral Health is central to the transformative experiences of patients like Shannon. The team's compassionate approach and commitment to individualized care create a nurturing environment where healing and personal growth flourish. From the moment patients arrive, they are embraced as part of the Resurgence family, receiving unwavering support from professionals who are deeply invested in their well-being.

Resurgence's holistic approach addresses not only the physical aspects of addiction but also the emotional and psychological components. By offering integrated mental health services, the facility ensures that co-occurring disorders are identified and treated alongside substance abuse issues. This comprehensive care model enhances the effectiveness of treatment and contributes to the overall success of patients' recovery efforts.

Located in Riverside, Resurgence Behavioral Health provides a serene setting conducive to healing. The facility's comfortable accommodations and amenities offer a welcoming atmosphere that eases the stress of entering treatment. Patients are encouraged to participate in various therapeutic activities that promote wellness, self-discovery, and resilience.

Shannon's testimonial exemplifies the life-changing impact of Resurgence Behavioral Health's programs and staff. Her journey from being "strung out" to becoming "a productive member of society, hungry and thirsty to

help the next addict" exemplifies the profound transformations that are possible with the right support and treatment.

Resurgence California stands out as a beacon of hope and recovery for individuals seeking addiction treatment in Riverside. The facility invites those struggling with substance abuse to take the courageous step toward healing, assuring them of compassionate care and a personalized approach that addresses their unique needs.

Resurgence Behavioral Health is committed to helping patients rediscover their potential and rebuild their lives. With a focus on evidence-based practices, comprehensive support services, and a compassionate team, the facility empowers people to overcome addiction and embrace a brighter future.
