DULUTH, GA - December 17, 2024 - PRESSADVANTAGE -

Atlanta, GA: This holiday season, Himalayan Handmade Candles unveils an enchanting new collection of Christmas candles, blending timeless fragrances with exquisite designs to capture the season's magic. Officially launching today, the collection offers a range of scents, including Juniper Incense, Evergreen, Manor House, and Tobacco Bark, designed to fill homes with warmth and holiday cheer. Each candle is carefully handcrafted to provide a perfect balance of design and fragrance, making it an ideal choice for festive decor and thoughtful gifting.

Candles are a staple in many holiday traditions. A recent study by the European Candle Association showed that 8 out of 10 households use candles to create ambiance during the Christmas season. Flickering candlelight and aromatic scents add a cozy, festive touch to any celebration. Himalayan Handmade Candles builds on this tradition, presenting a collection that enhances the holiday atmosphere and aligns with modern design trends.

"Candles are more than decorative pieces—they are an essential part of how people celebrate and create memories during the holidays," said a representative of Himalayan Handmade Candles. "Our new Christmas

collection is designed to inspire joy and connection, blending rich scents and artistic craftsmanship to make every home feel festive.?

Artisanal Craftsmanship and Sustainability: Each candle in the Christmas collection is hand-poured using a sustainable soy blend wax. The wax burns cleanly, making it an eco-conscious choice for environmentally aware consumers. The vessels, crafted with intricate patterns and festive colors, double as reusable decor pieces long after the candle has burned. Popular options in the collection include elegant glass jars, vintage-inspired tin holders, and ceramic designs adorned with holiday motifs.

The fragrances in the collection are meticulously curated to evoke holiday nostalgia. For example, the Manor House, a likely warm and rich, fitting for cozy winter settings. The Evergreen Candle captures a quintessential Christmas scent reminiscent of fresh pine trees and holiday wreaths. Meanwhile, the Bourbon Vanilla is a rich and indulgent scent that complements the warmth of the holiday season.

This collection also embraces the gift-giving spirit. Beautifully packaged, each candle makes an ideal present for friends, family, or colleagues. Himalayan Handmade Candles offers gift sets and personalization options, allowing customers to add a personal touch to their holiday gifts.

Holiday Trends and the Growing Demand for Candles: According to market research, the global candle market is expected to grow by 5% annually, with holiday candles playing a significant role in this expansion. Consumers are increasingly drawn to products that offer both aesthetic appeal and environmental responsibility, a demand that Himalayan Handmade Candles meet with their commitment to sustainable practices.

The new Christmas collection aligns with the growing trend of eco-friendly holiday products. Using reusable vessels and sustainable wax blends, Himalayan Handmade Candles ensures their products appeal to traditional and modern values. This focus on sustainability also makes the collection a popular choice for socially conscious consumers.
