

Ardú Medical Partners Launches New Website to Help Healthcare Providers Recover Lost Revenue

February 05, 2025

Blue Bell, PA - February 05, 2025 - PRESSADVANTAGE -

Ardú Medical Partners, a leading medical practice consultant, today announced the launch of its new website, ardumedical.com. The website offers comprehensive information and resources for out-of-network healthcare providers, medical facilities, and medical staffing agencies seeking to optimize their practice management and maximize their reimbursements. Ardú Medical Partners utilizes strategic partnerships to provide its services, working with vetted, best-in-class companies.

The new website highlights Ardú Medical Partners' role as a medical practice consultant, emphasizing its expertise in navigating the complexities of the No Surprises Act (NSA) and the Independent Dispute Resolution (IDR) process. The site also addresses the significant revenue that is lost to medical practices every year due to eligible claims not being submitted for arbitration. According to the website, less than 7% of eligible medical claims are submitted through arbitration, which amounts to over \$500 billion in lost revenue to the medical community annually.

Key features of the new website include: Detailed information about the No Surprises Act and the IDR process, including both federal and state-specific regulations.

Specific resources for states including Alaska, California, Colorado, Connecticut, Delaware, Florida, Georgia, Illinois, Maine, Maryland, Michigan, Missouri, Nebraska, Nevada, New Hampshire, New Jersey, New Mexico, New York, Ohio, Pennsylvania, Texas, Virginia, and Washington.

Information on how Ardú Medical Partners, through its strategic partnerships, helps various out-of-network providers including anesthesiology, emergency medicine, radiology, air ambulance, critical care, pathology, and intraoperative neuromonitoring (IONM) providers.

A description of Ardú's services, including their advanced claim success identification process and strategic claim arbitration, which are provided through their vetted strategic partners.

Information on Ardú's partners? free 6-year review, dedicated client liaisons, and transparent reporting.

A blog, careers page, and contact information.

Ardú Medical Partners, through its strategic partnerships, provides a range of services, including:

Medical Revenue Recovery: Ardú partners with a company that specializes in helping out-of-network providers recover lost revenue through the No Surprises Act (NSA) and the Independent Dispute Resolution (IDR) process. This includes connecting to a client's system to identify high-potential claims. Strategic claim arbitration utilizing the applicable federal or state No Surprises Act IDR process to maximize reimbursements. Returning recovered fees directly to the client's practice. **Reputation Management, Digital Marketing, and Call Center/Answering Services:** Ardú provides these services for medical practices through its vetted strategic partners.

Ardú's team of legal and medical experts, along with its strategic partners, help clients follow healthcare rules and recover revenue.

Ardú and its partners use proven methods to get around common roadblocks from insurance companies, putting more money back in their clients' pockets. Ardú also ensures that clients remain compliant with healthcare rules and improve their practice efficiency.

"We are excited to launch our new website, which will serve as a valuable resource for healthcare providers seeking to navigate the complexities of the No Surprises Act and optimize their practice management," said Brian Kent at Ardú Medical Partners. "Our goal is to empower providers to focus on delivering exceptional

patient care while we, through our strategic partnerships, handle the intricacies of the IDR process and other essential business services.?
