

Local SEO Profit Voted One Of San Diego's Top Marketing Firms

February 02, 2016

February 02, 2016 - PRESSADVANTAGE -

San Diego, CA based digital marketing company Local SEO Profit is proud to announce that they were voted top marketing firm in San Diego in a community poll. The poll asked local businesses that had worked with marketing agencies to rate them on a number of different issues. The local SEO company came out on top in a number of different categories.

Roderick Luna, spokesperson for Local SEO Profit, says: "We're so proud to have been voted best in class. It is a true testament not just to the hard work and dedication of our team, but also the continued support of our clients. We look forward to offering our services to a wider audience across San Diego."

Local SEO Profit is a full service digital marketing agency, and this is one of the things that made them stand out to San Diego businesses. They offer search engine optimization (SEO), map search optimization, link building and content, custom website design, custom email design and paid search advertising. Clients can choose whether to use any or all of those services in order to build up their online authority.

The poll was designed to bring more attention to local businesses across the San Diego area. A number of

categories exist, enabling businesses in nearly every industry and niche to receive some recognition. "We want to bring some attention to what a great place San Diego is for small businesses," says Mary K., poll organizer. "We looked at a range of important services for the community, such as corner shops and restaurants. We also looked at the digital economy, as these types of companies are so important in putting San Diego on the local map. The SEO firm came up again and again and we genuinely want to thank them for their amazing services. A well-deserved award for their contribution to the overall economy."

Those interested in the marketing firm's services are encouraged to visit their website. From there, they can request a free, no obligation SEO audit, which will show them how they can benefit from the services offered by the SEO services company overall.
