March 22, 2016

March 22, 2016 - PRESSADVANTAGE -

Bren & Mike have announced the launch of their new product, Instagram Marketing Mastery. This new product is designed to help get Instagram users get traffic to their website at virtually no cost. Bren and Mike are online marketing and branding consultants who help their clients take advantage of the internet to double, triple, and even quadruple their business.

Mike Marko, the Mike from Bren & Mike explains, "Our Instagram Marketing Mastery training product helps marketers get targeted and loyal followers on the most engaged social media platform, Instagram." The expected overall results will be more traffic, leads, and sales, according to him.

Bren and Mike estimate that user engagement on Instagram is currently 15 times higher than that of Facebook and 20 times higher than that of Twitter. "This is the easiest and most effective way to gain free traffic," Marko states.

The Instagram marketing program includes an in-depth look at the Instagram platform and how businesses can effectively use it to generate traffic. Marko states that a step-by-step process to creating quality content

for the platform is also included.

In addition, the newly launched program also has a method for editing photos that makes images stand out and gain more followers and clicks to user websites. Video instruction is included that the duo states will help businesses to gain more traffic, even for those who have never used or created a video for marketing purposes.

Bren & Mike state that the program is easy to follow, making it a good choice for new marketers who do not have the experience normally required to drive their own traffic. Instruction is given on how to create copy that will instantly engage readers and leave them wanting more; thus prompting them to click through to the website.

"It's a great overall system, and one that is bound to get you loads of quality traffic," Marko says.

Those interested in learning more about the newly launched marketing program can read about it on Bren & Mike's official website. The duo states that the program is virtually guaranteed to bring in traffic, even for those who are new to marketing and with a new website.
