East Sussex, United Kingdom - Just-Brill have recently announced the release of their product on the giant online marketplace, Amazon. The product called DigiPulse Cuff Wrist Blood Pressure Monitor is gaining much attention on the portal from online customers. Customers are liking that the product is being sold with special promotions and deals.

Currently the blood pressure monitor can be purchased for a low price below \$35. This is a discounted price from the listed price of \$79.99. That means that the customer can save \$45 on each purchase. This equates to a discount from the listed price of 56%.

A representative from Just-Brill stated, "we wanted to create a great deal for customers who shop on Amazon. With our product, they receive a discount where they pay less than half of the listed price. Not to mention the online shopper can attract further discounts by purchasing in bulk. This can work well for health centers and schools."

According to Just-Brill, purchasers can acquire the blood pressure monitor at additional discounts if they order in bulk. For example, those who buy two DigiPulse Wrist Blood Pressure Monitors can save 5% off their order total. The customer can access this discount by entering the code DGPULSE5 at checkout on Amazon. Additionally the customer who buys three blood pressure monitors can save 10% off their order total. The buyer can receive this discount by simply entering the code DGPULS10.

Due to the fact that the blood pressure monitor is being sold on Amazon, customers receive additional deals. The customers can get free shipping if their order is more than \$49. This equates to the purchasers buying two or more of the product to access the free shipping. Additionally, if the purchaser is a member of Amazon Prime they can be afforded free two day shipping.

The vendor Just-Brill is also offering pre-owned and open-box digital blood pressure monitors at discount prices. Customers enter Amazon Warehouse deals and save 76% off the \$79.99 listed price. The product is still eligible for Amazon's 30-day returns policy and free shipping after more than \$49 order and free two day shipping with Amazon PRIME.

The Just-Brill Blood Pressure (BP) Monitor is sold exclusively on the Amazon portal. This means the ability of shoppers to access added deals as outlined above. The BP Monitor is sold with a lifetime guarantee for those who may wish to refund or replace their purchase.
