

Spokane, WA Staffing Agencies Seek to Share New Study Results on Declining Unemployment Rate

April 29, 2016

April 29, 2016 - PRESSADVANTAGE -

SPOKANE, Wash., April 27, 2016?Express Employment Professionals, one of the top staffing agencies in Spokane, WA, recently launched brand-new study results exposing the increasing problem that companies experience when attempting to hire and fill positions.

The findings come from a survey of 340 businesses. Respondents were asked, "Currently, how simple is it for you to recruit and fill positions?"

Just 3 percent said "very easy," while 29 percent said "somewhat easy." Almost half, 49 percent, said "somewhat difficult," 16 percent stated "very difficult," and another 3 percent said, "I don't know."

More participants said "very difficult" or "somewhat difficult" (65 percent) in this survey than in any of the four hiring trends surveys carried out by Express in 2015. The increase in reported problems refers to the reduction in the unemployment rate.

?Our local community has experienced this same issue but we, at Express, are working hard with our clients

to help get Spokane County back to work," said Ira Amstadter, franchise owner of the Spokane Express office.

The study of 340 companies, which are previous and present clients of Express Employment Professionals, covers hiring patterns for the very first quarter of 2016.

Jobs in Spokane, WA are still readily available for those seeking employment. Interested parties that would like to arrange for an interview with Express Employment Professionals in Spokane, WA are encouraged to call (509) 822-2547.
