

# Caitlin Rain Releases New Romance Novel Set For Kindle

*May 19, 2016*

May 19, 2016 -
Best selling author, Caitlin Rain, is proud to announce the release of her complete fifteen book box set that includes all 15 of her popular romance novels. Each romance novel for Kindle has already proven to be incredibly popular, and well anticipated.

Caitlin Rain, the bestselling author of the romance novels says: "I live and breathe romance and have been so lucky to be able to share my passion with my readers. However, I have a tendency to end my books on a cliffhanger, because I just have so much to tell. With the Billionaires Room, however, I feel that after 15 books, the story has finally been completed. People can now own the entire set on Kindle, enabling them to just read them all together."

Caitlin Rain has written hundreds of different books, many of which are in series. Some of her more popular series include the Gold Room, the Onyx Room, the Diamond Room, and the Dynamic Room. Besides that, she has completed entire series, including the fiance series, the wild series, the exotic series, the toxic series, the secret series, and the days series. Each of these books has proven to be very popular with her readers, who are constantly asking for more.

Rain has also launched the ARC Street Team via her website, www.caitlinrainbooks.com. "When you join my Advanced Reader Street Team, you will receive free copies of my billionaire romances before they go on sale on Amazon," she adds. "In exchange, you'll be asked to leave an honest review. Be sure to leave those reviews in order to stay on the team."

Her Billionaire steamy romance novels have gripped audiences all over the world. The characters are engaging and readers have frequently commented that they feel as if they are really getting to know them. Many have also described the sense of 'book detox', which is something that happens when people feel sad after completing a book because they want to stay in the story, while not feeling ready to start a new one yet.

Caitlin Rains romance novels for Kindle, can be found exclusively on Amazon.com. They are also available through the Kindle Unlimited program.
