

Top Dog Pet Sitters Expands to Celina, Joins Local Chamber

August 12, 2026

McKinney, Texas - August 12, 2026 -

Top Dog Pet Sitters announced today that it has joined the Greater Celina Chamber of Commerce, formalizing its presence in a market the McKinney-based pet sitting and dog walking company began serving earlier this year. The move extends Top Dog Pet Sitters' background-checked, bonded, and insured in-home pet care to Celina, Texas, a Collin County community that has drawn thousands of new residents faster than most local service providers have been able to follow.

According to U.S. Census Bureau estimates, Celina grew by more than 24 percent between mid-2024 and mid-2025, making it the fastest-growing city in the country that year and pushing its population past 60,000, up from just over 18,000 in 2020. Many of the families moving into new communities such as Light Farms, Mustang Lakes, Cambridge Crossing, and Sutton Fields commute 25 to 50 minutes each way to jobs in Dallas, Plano, or Frisco, often leaving pets alone for long stretches of the day without an established local network to call on for help.

“Celina families were asking for the same exceptional care we’ve provided in McKinney and Melissa for over a decade,” said Susan Gary, owner of Top Dog Pet Sitters. “Our goal was to bring the same background-checked team, the same insurance and bonding, and the same accountability to Celina that our existing clients already rely on.”

Top Dog Pet Sitters offers Celina residents dog walking, vacation pet sitting, overnight care, and in-home visits for cats, birds, and other small animals, along with medication administration and home vacation checks for people without pets. Every visit includes GPS-verified arrival and departure times, along with a written report and photos sent to the pet owner after each visit, and service also includes routine home-care tasks such as collecting mail and packages, rotating lights, and watering plants. New clients begin with a Meet and Greet at their home before any service is scheduled.

Top Dog Pet Sitters’ membership in the Greater Celina Chamber of Commerce places the company alongside other local businesses serving the city’s rapidly expanding population and gives Celina residents a way to verify the company’s standing in their own community business directory. The chamber listing includes Top Dog Pet Sitters’ service categories and current contact information, giving new Celina residents an additional, independently maintained source to confirm before scheduling a visit.

“Joining the Chamber matters to us because Celina is not a market we are passing through,” Gary said. “It is a community we intend to be part of, the same way we have been part of McKinney for the last decade.”

The Celina expansion follows a decade of pet care in McKinney and Melissa, where Top Dog Pet Sitters has built a team of ten background-checked pet sitters and dog walkers. The company has been named Best of McKinney by the McKinney Chamber of Commerce and Best of Melissa, Anna, and Van Alstyne by Star Local Media, and it maintains membership in Pet Sitters International, along with pet CPR and first aid certification across its staff.

Pet care across Top Dog Pet Sitters’ McKinney, Melissa, and Celina service area is available around the clock, with office support seven days a week from 7 a.m. to 10 p.m.
