Arrowhead Clinic Savannah Highlights Patient-Centered Care Following New Five-Star Review

August 11, 2026

Savannah, Georgia - August 11, 2026 -

Arrowhead Clinic Chiropractor Savannah has drawn renewed attention to its approach to patient care after receiving a detailed five-star review that praised the professionalism and compassion of its clinical team. The review, submitted by a recent patient, described the clinic's staff as welcoming and attentive and singled out several team members for treating patients with kindness throughout the treatment process.

The reviewer credited Dr. Maria Bourjolly and staff members Maya, Ali, and Lex for creating an environment where questions were answered and comfort was prioritized at every visit. The feedback reflects a standard of transparency that the clinic has maintained for decades, including walking patients through evaluations for whiplash and soft tissue trauma before any adjustment begins.

"Patient feedback like this reinforces the values the team works to uphold every day," said Dr. Maria Bourjolly, Clinical Director at Arrowhead Clinic Chiropractor Savannah. "When patients feel heard and understood, they are more engaged in their own recovery. That relationship between provider and patient is

central to how the clinic delivers care."

Arrowhead Clinic has more than 48 years of experience treating musculoskeletal injuries and pain symptoms in the Savannah area. The clinic specializes in chiropractic care, personal injury treatment, and auto accident injury recovery, using methods that include Computer-Guided Spinal Decompression, Active Release Therapy, and Functional Movement Screening. Patients seeking care are encouraged to learn more about our diagnostic and treatment process during an initial consultation, where clinicians outline timelines, evaluation steps, and expected outcomes.

The clinic emphasizes that informed patients tend to have better experiences, noting that consultations are an appropriate time to ask about diagnostics, recovery timelines, and a provider's experience with accident injuries. This commitment to open communication has shaped the reputation of the Savannah Arrowhead Clinic location, which offers same-day appointments, walk-in availability, and extended hours on evenings and weekends.

"Chiropractic care works best when patients understand what is happening at each stage," Bourjolly added. "The team takes time to explain the reasoning behind every recommendation. An Arrowhead Clinic in Savannah patient recommendation carries real weight because it reflects the trust built through that process."

Beyond direct treatment, the clinic assists patients with the complexities of insurance claims following an injury, providing documentation, direct billing services, and coordination with personal injury attorneys where appropriate. For accident victims, the clinic can refer patients to personal injury lawyers in the Savannah region, allowing many patients to avoid out-of-pocket expenses for treatment related to their accident.

Arrowhead Clinic Chiropractor Savannah continues to focus on comprehensive rehabilitation programs that address the full musculoskeletal and nervous systems. The clinic's stated goal is to help patients return to normal activity and achieve lasting health through individualized care plans and ongoing communication.

Arrowhead Clinic is a chiropractic care provider based in Savannah, Georgia, serving the Oglethorpe Mall and Avalon area. With over four decades of clinical experience, the clinic offers chiropractic adjustments, personal injury and auto accident treatment, comprehensive rehabilitation, and insurance assistance for patients recovering from a range of injuries.
