

McDougall Named Top 10 Bluffton Personal Injury Lawyer

August 13, 2026

August 13, 2026 -

McDougall Law Firm, LLC has received recognition from TrustAnalytica as a Top 10 Bluffton Personal Injury Lawyer, a consumer-facing designation that evaluates law firms across verified client reviews, online reputation metrics, service quality indicators, and local market presence. The recognition reflects client experience data gathered across Bluffton and Beaufort County, distinguishing it from peer-based honors and positioning the firm among the leading personal injury practices serving the Lowcountry.

Unlike awards determined by attorney nomination, the TrustAnalytica methodology draws on documented client feedback and reputation signals. For a Bluffton personal injury lawyer, that distinction places the emphasis on how clients experience the firm throughout their cases rather than on peer sentiment alone.

The recognition adds to a credential record built by founder J. Olin McDougall, II across a decade and a half of practice. McDougall has received 15 years of Super Lawyers listings, a sustained peer recognition reflecting consistent standing among Georgia and South Carolina's most respected personal injury attorneys.

He also holds Best Attorneys of America Lifetime Charter Member status, an invitation-only designation awarded to attorneys who have demonstrated exceptional ability and superior ethical standards across a career's body of work. In addition, McDougall is a member of the Multi-Million Dollar Advocates Forum, one of the most selective trial lawyer organizations in the United States, limited to attorneys who have won multi-million dollar verdicts and settlements.

"TrustAnalytics measures something different from peer honors like Super Lawyers or Best Attorneys of America, because its methodology is built on verified client reviews and reputation metrics rather than nomination," said J. Olin McDougall, II, Founder of McDougall Law Firm. "Earning both peer recognition and client-experience recognition across 15 years reflects what the firm has worked to build in Bluffton: a practice that produces results and treats people well throughout the process. The firm's roots are in the Lowcountry, and its Beaufort County work serves communities including Bluffton, Okatie, Sun City Hilton Head, and Hardeeville."

McDougall Law Firm maintains offices in Beaufort, Bluffton, Hilton Head, Hardeeville, Walterboro, Greenville, and Columbia. The seven-location footprint reflects the firm's growth from its Lowcountry origins into a statewide personal injury practice serving clients in Beaufort County, Jasper County, Colleton County, and beyond. As a McDougall Law Firm Bluffton office, the location allows the firm to respond to the needs of area residents with a personal injury attorney Bluffton SC clients can reach locally.

The firm has recovered more than \$100 million for South Carolina personal injury clients across car accidents, construction accidents, truck accidents, boat accidents, golf cart accidents, premises liability, medical malpractice, and wrongful death cases. Those results include a \$1.2 million construction accident settlement and span the range of personal injury matters that Bluffton and Beaufort County residents face. As a Beaufort County personal injury attorney Bluffton residents turn to, the firm handles all cases on a contingency fee basis.
