Cape Coral, FL company Phoenix Treasures LLC, has announced that their popular Phoenix Coffee Grinder is now back in stock. The grinder, which can be used for grinding coffee, spices, nuts, herbs, and tea, was more popular than the company had anticipated, leading to acute stock shortages. Having now restocked, they will ensure no customer will be left disappointed. The product can be ordered through the company's website on www.phoenixtreasuresllc.com.

Robert King from Phoenix Treasures LLC says: "First of all, we want to apologize to our customers who were not able to purchase our coffee grinder because we ran out of stock. At the same time, we want to thank America for loving our product so much that we actually got to this point. We have now increased our stock levels, so nobody needs to be left disappointed again."

The grinder comes with a large capacity 2.5 oz holder, which allows it to hold enough beans to make up to eight cups of coffee. The grinder has a transparent lid, enabling users to see how course their grind is, so they can make it to their own preference.
