May 23, 2016 - PRESSADVANTAGE -

Phoenix Treasures LLC, a business in Cape Coral, FL, are happy to announce that they have stocked up on their Phoenix French press to meet the projected spike in demand resulting from the seasonal price drop. The French press has already proven to be very popular, particularly thanks to its high quality stainless steel and borosilicate glass materials. The materials make the press not just very strong and durable, but also ensures the drink stays hot for longer. Full details about the French press are available from www.phoenixtreasuresllc.com.

Robert King from Phoenix Treasures LLC says: "Our French press is perfect for a cappuccino or any other coffee with real aroma and flavor. Because the seasonal price drop is happening, we have increased our stock to make sure no customer is left disappointed. Now is the time to get our incredibly popular press."

The press is designed to create around eight cups, or three to four mugs, of delicious coffee. It is designed to be safe thanks to the borosilicate glass, and to be very easy to clean. The design, which incorporates stainless steel, is truly timeless and the French press has proven to be a very popular gift.

The French press, which is available on Amazon through <http://www.amazon.com/Phoenix-H601L-Stainless-Borosilicate-Screens/dp/B010U4EL0U>, is created to last a

lifetime. It also comes with two bonus screens and a scoop to ensure making a perfect cup of coffee is easier than ever. It comes with a double screen plunger, which helps to create the most wonderful aroma. Phoenix Rising Coffee is now available in our Private Reserve Blend, Medium Dark Roast. 100% Arabica beans from Colombia and Brazil, their rainforests make the best coffee. If you get a French press there are some bonuses for also ordering Phoenix Rising Coffee.

Those who have purchased the coffee press have been very happy with their product. They regularly state that the press itself is a work of art, even being used as a conversation piece. They all explain how happy they are with the coffee that the press actually makes.

Phoenix Treasures wants to encourage everyone to like their Facebook page in <https://www.facebook.com/Phoenix-Treasures-LLC-460358727476897>. Doing so is an opportunity for people to share their own experiences with the French press, but also to remain up to date with industry news and any special offers or discounts that the company may launch.
