September 26, 2016 - PRESSADVANTAGE -

The well-known travel site, TripAdvisor, recently ranked Jamaica as the Number 1 Caribbean destination for 2016. This was a travelers choice award based on the travelers agreeing that Jamaica offers the perfect combination of history, culture, music, natural beauty and adventure.

Your Jamaican Tour Guide, a Montego Bay Jamaica based tour company is very excited about this accomplishment. Your Jamaican Tour Guide's Alrick Allen says: "We are so proud that the island has been voted top Caribbean island by TripAdvisor users. This will be a big boost to our economy because tourism is the main income stream for the island. Our company is looking forward to having the opportunity to show even more people what Jamaica has to offer."

The company, Your Jamaican Tour Guide itself has received the TripAdvisor certificate of excellence every year since 2012 and continue to get five-star reviews from their clients. Having been ranked in the top 5 of tour companies in the area, the company offers unique, personalized tour opportunities.

The list of things to do in Jamaica is almost endless. For Your Jamaican Tour Guide, however, it is about

creating unique, customized experiences, giving people the opportunity to see some of the island's natural beauty, and experiencing its culture and history. Travelers will be able to visit local communities and find out why Jamaica is known as the 'land of wood and water'.

Those who have traveled with Your Jamaican Tour Guide have been incredibly positive about their experiences.
