

Arrowhead Clinic Newnan Highlights Patient Care Following New Five-Star Chiropractic Review

August 21, 2026

NEWNAN, GA - August 21, 2026 -

Arrowhead Clinic Chiropractor Newnan has drawn renewed attention to its patient-centered approach after receiving a new five-star review from a longtime patient who credited the clinic's team with supporting her through a twin pregnancy and a neck injury. The recognition underscores the ongoing role that chiropractic care plays in helping area residents manage both injury recovery and long-term wellness.

The review, submitted by patient Katey Schmidt, described care provided by Dr. Frank Bostic, DC, and the broader clinical team. In her account, she noted that the staff listened closely to her feedback and adjusted therapy and adjustments to match her changing needs over time. The response reflects a pattern of feedback that has shaped how the clinic communicates about its services.

The latest Arrowhead Clinic in Newnan review arrives as the clinic continues to serve patients dealing with auto accident injuries, whiplash, neck pain, and a range of musculoskeletal conditions. The clinic, led by Dr. Bostic, has built its practice on individualized treatment plans developed after diagnostic evaluation, an

approach the team says helps identify the underlying source of pain before care begins.

To accommodate patients dealing with sudden injuries or acute discomfort, the practice offers walk in and same day appointments during weekday hours. This scheduling flexibility is intended to reach individuals who require prompt attention following accidents or the onset of new symptoms, without the delays sometimes associated with standard appointment scheduling.

"Every patient arrives with a different history, and effective care begins with listening carefully to what each person is experiencing," said Dr. Frank Bostic, DC. "When care is tailored to a patient's specific condition and adjusted over time, recovery becomes a collaborative process rather than a fixed routine."

The clinic treats a wide spectrum of conditions, including car accident injuries, truck accident injuries, motorcycle accident injuries, slip and fall injuries, sports injuries, and work-related injuries. In addition to chiropractic treatment, the practice provides personal injury attorney referrals for patients who have been involved in accidents and require legal guidance related to their injuries.

"The feedback shared by patients guides how care is delivered day to day," Dr. Bostic added. "Supporting someone through different stages of life, from injury recovery to ongoing wellness, reflects the kind of relationship the practice aims to build."

Patients seeking care can visit our Newnan chiropractic clinic location during weekday operating hours, Monday through Friday. The clinic maintains diagnostic tools and treatment equipment on site, and offers resources such as a chiropractic blog, a car accident guide, and a chiropractor care guide to help patients understand available treatment options.
