June 01, 2016 - PRESSADVANTAGE -

Maska Media, LLC., an online marketing company, is proud to announce that they have launched Spiritual Biz Magazine, which will be live on June 1st. The concept of the magazine is to provide an online community where spiritual entrepreneurs can come for knowledge and inspiration. This will enable them to create a business that is a catalyst for good. The magazine will be available through [www.spiritualbizmagazine.com](http://www.spiritualbizmagazine.com).

Kimberly Maska, founder of Maska Media, LLC., says: "Spiritual Biz Magazine is all about enabling you to be the CEO of your life while following the path of your soul."

As part of Spiritual Biz Magazine, the company has also launched Spiritual Biz Academy. This is a place where spiritual entrepreneurs can gather all of the knowledge they need to create their business authentically. All steps of the business creation process are covered, from message creation to copywriting to online marketing. It is a place where they can express their creative entrepreneurial energy in a supportive community. The academy can be accessed through [www.spiritualbizacademy.com](http://www.spiritualbizacademy.com).

Kimberly Maska is also the magazine's publisher. She says: "This project is extremely personal to me and it

brings me great joy to share it with those who will resonate with it. Humanity is in the midst of a paradigm shift, a new way of thinking. Words like mindfulness and meditation are now commonplace, which is a beautiful thing. We all have a role to play in this shift and my role is to help spiritual entrepreneurs share their message and change lives so we can create a ripple effect on this planet. My goal is to help 5000 spiritual entrepreneurs start their businesses in the next 5 years. Spiritual Biz Magazine and Spiritual Biz Academy are the vehicles for that ripple effect."

Maska Media, LLC has a strong focus on small business marketing for those who wish to make a difference on this planet. The company wants to show spiritual entrepreneurs how to start an online business successfully, and still be authentic to their message. For Kimberly, any business is the pursuit of a dream, and she wants to ensure people have the necessary motivation and support to succeed in their endeavors. Further details about her work are available through [www.kimberlymaska.com](http://www.kimberlymaska.com).
