

Rag Mops Cleaning Service Plans Approximately \$9,000 in 2026 Community Support

September 02, 2026

Lewisville, Texas - September 02, 2026 -

Rag Mops Cleaning Service owner Debi Bascue is set to provide approximately \$9,000 in community support during 2026. The planned recipients include The Colony High School Wrestling Team, the Double Oak Turkey Trot through Dare to Serve, and two to four Cleaning for a Reason patients each month.

The total combines financial contributions with the estimated value of donated cleaning services. A confirmed cash-versus-service breakdown for the 2026 figure has not been released. Cleaning for a Reason assistance is delivered as complimentary house cleanings rather than a cash grant, while support for the wrestling team and the Turkey Trot is expected to take the form of sponsorship or event-related donations.

Debi Bascue, co-founder and owner of Rag Mops, commented on the company's approach. "Giving back has always been an important part of who we are at Rag Mops. We're proud to support organizations that make a real difference for families in our community."

Cleaning for a Reason matches vetted residential cleaning companies with patients undergoing cancer treatment. Rag Mops has partnered with the organization since 2008. In May 2026, Cleaning for a Reason

stated that the company had provided donated home cleanings to 181 patients, with those services valued at more than \$63,089. The 2026 plan continues that work at a pace of two to four patients per month.

The Double Oak Turkey Trot is a longstanding Thanksgiving community race. Rag Mops lists the event among its community commitments on its company site, and Living Magazine's 2026 profile of Bascue also identified the Turkey Trot and Cleaning for a Reason as causes she supports. Dare to Serve is the designated beneficiary associated with the company's 2026 Turkey Trot support.

The Colony High School Wrestling Team is a local athletic program that regularly seeks community sponsors for the season. Specific 2026 dollar amounts allocated to the team and the Turkey Trot have not been separately announced.

Bascue added further context. "Our community has supported Rag Mops for many years, and this is one way we can say thank you. We believe local businesses should help strengthen the communities they serve."

Rag Mops Cleaning Service was founded in 2001 and provides residential cleaning, including standard recurring cleaning, deep cleaning, custom cleaning, and move-in or move-out services. Community participation has remained part of the company's record alongside its client work, including school fundraisers, youth sports, and the annual Turkey Trot.

The 2026 plan groups three existing areas of involvement under one stated total. Naming the wrestling team, the Turkey Trot, and the monthly Cleaning for a Reason caseload identifies where the support is directed without presenting unverified claims about each organization's budget. Timing for individual payments or event sponsorships has not been publicly itemized beyond the calendar year.

Cleaning for a Reason's public acknowledgment of Rag Mops' patient count and donated-service value supplies an independent reference point for that portion of the company's charitable work. The company's own site and the 2026 Living Magazine feature independently confirm its association with the Turkey Trot and Cleaning for a Reason. Those sources do not list a separate public acknowledgment from The Colony High School Wrestling Team for the 2026 gift.

Rag Mops Cleaning Service will continue its residential cleaning operations while carrying out the 2026 community plan. The approximately \$9,000 commitment is presented as an extension of the company's existing support for local students, community events, and patients receiving treatment.
