

Bubba's Smokehouse & Spirits Launches Private BBQ Patio Party Catering Packages in Paso Robles

September 04, 2026

PASO ROBLES, CA - September 04, 2026 -

Bubba's Smokehouse & Spirits has introduced a dedicated "BBQ Patio Party" catering service designed for intimate private celebrations, giving local hosts and out-of-town visitors access to a private outdoor dining space at the restaurant's centrally located Paso Robles home.

The new packages are built around the restaurant's private patio, which accommodates groups of 35 to 40 people. The space is offered for events such as rehearsal dinners, milestone birthdays, anniversaries, family reunions and small business gatherings, providing an exclusive setting without the overhead of hosting at home.

Central to the offering is the kitchen team's approach to low-and-slow, wood-smoked barbecue. Staples including smoked tri-tip, pulled pork and ribs are prepared over a signature wood blend and paired with scratch-made sides such as mac and cheese and baked beans. For patio events, these items are arranged into customizable, buffet-style spreads and family-style platters that groups can pre-order to suit the size and

preferences of their party.

The patio package also integrates the restaurant's full bar. Hosts can add full-bar service featuring local craft beers and signature cocktails, allowing guests to enjoy a complete dining and beverage experience in one location. Combined with full-service hospitality from the staff, the format is intended to remove the logistics and cleanup typically associated with home-hosted events while preserving a relaxed Central Coast atmosphere.

Bubba's Smokehouse & Spirits has deep roots in the region. The business was founded by local entrepreneur Roger Sharp, beginning as a cinnamon-roll concession trailer at the Mid-State Fair before evolving into a family-friendly restaurant known for generous portions, an approachable atmosphere and authentic smokehouse traditions.

"The patio has always been one of the most requested spaces at the restaurant, and formalizing it into a private catering package gives smaller groups a way to celebrate without renting a large hall or handling everything themselves," said Roger Sharp, founder and owner of Bubba's Smokehouse & Spirits. "Guests get the food they already know, served family-style, in a setting that feels both special and comfortable."

As the owner Roger Sharp mentioned in this post, details about the format and menu options are available. The post also outlines how groups can combine the outdoor space, family-style platters and optional bar service into a single event.

The restaurant is located at 1125 24th Street, a central address with convenient parking that positions it as an accessible venue for residents and for travelers visiting Paso Robles Wine Country. The location's proximity to the region's tasting rooms and lodging makes it a practical choice for out-of-town guests coordinating group celebrations.

"Paso Robles brings a lot of visitors who want an authentic barbecue experience close to the wineries," Sharp said. "The private patio gives those groups a dedicated space of their own."

The expansion of private patio BBQ catering Paso Robles CA reflects the restaurant's ongoing focus on serving both its local community and the region's growing number of visitors.
