

TDE Wedding Highlights Wedding Photography Role as Official San Francisco City Hall Vendor Serving Millbrae

September 28, 2026

MILLBRAE, CA - September 28, 2026 -

TDE Wedding, a full-service and all-inclusive wedding company based in Millbrae, California, has confirmed its standing as an official San Francisco City Hall wedding vendor, photographing ceremonies at one of the most iconic civic venues in the country. The designation places the company among the vendors authorized to document weddings within the landmark building, expanding the reach of TDE Wedding in Millbrae across the Peninsula and South Bay.

The company, legally operating as The Day Entertainment, LLC, was founded in 2007 and provides professional wedding photography as part of an in-house model that keeps every element of a couple's day under one team. Rather than coordinating multiple outside vendors, couples work with a single company that handles photography, cinematography, planning and coordination, DJ and master of ceremonies services, floral and decor, hair and makeup, lighting, and photo booths.

TDE Wedding serves communities throughout the region, including Millbrae, Palo Alto, Hillsborough,

Redwood City, Portola Valley, San Carlos, San Mateo, and Menlo Park. The company also holds a particular specialization in Chinese and Asian weddings, working with families to reflect cultural traditions within the photography and overall planning process.

"Photographing at San Francisco City Hall carries a real responsibility, because the space is historic and every couple has only one chance to capture that moment," said Otis Fang, Director of Production at TDE Wedding. "Being an official vendor means the team knows the building, the light, and the pacing well enough to work quickly and let couples stay present in their own ceremony."

The company structures its offerings into tiered packages named Glow, Glam, and Glitz, with a Lite Express option available for couples seeking a more streamlined arrangement. Because the photography team operates alongside the same in-house group that manages the other services, scheduling and creative direction remain consistent from the first planning meeting through the final images.

Alongside photography, the same in-house team also provides wedding videography and wedding floral design and decor, an option intended for couples who prefer to have those elements handled by one company. The approach reflects the all-inclusive structure the company has maintained since its founding.

"The advantage of an in-house team is coordination," Fang said. "When the people behind the camera share information with the people arranging the flowers and running the timeline, fewer details fall through, and the day tends to move the way the couple planned it."

The company continues to focus its work on the Peninsula and South Bay while accepting ceremonies at civic and private venues across the wider San Francisco Bay Area. Its role as an official City Hall vendor adds one of the region's best-known settings to the venues where its photographers regularly work.

TDE Wedding is located at 216 Broadway, Millbrae, CA 94030 and can be reached at (415) 813-8900. The Day Entertainment, LLC has operated as a full-service, all-inclusive wedding planning and photography company since 2007, serving couples throughout the San Francisco Bay Area with a concentration on the Peninsula and South Bay.
