

## **Waxing Spa In San Diego Wins #2 Best Waxing Award**

*June 10, 2016*

June 10, 2016 - PRESSADVANTAGE -

El Cajon, CA based Waxing by Celeste is proud to announce that they won the #2 Best Waxing in San Diego Award by San Diego's A-list. Fifty-seven waxing spas participated for Best Waxing, 29,147 voters took part, and 45,643 votes were cast in the contest. The spa opened in 2014, and this is the first time that they have taken part in the yearly voting contest. They also ranked #11 out of 73 for Best Facial.

Celeste Andrade, founder and owner of Waxing by Celeste, says: "It is a great honor to have received this amazing award. I want to thank my clients who voted for me. Without them, I would not be here today. Growing up in Brazil, waxing was always a big deal among women no matter their age. Now that I live in San Diego I am happy I can give women here an authentic Brazilian wax."

This waxing spa specializes in body waxing. It is best known for its Brazilian waxing service for women. It currently has a deal on for new clients, enabling them to try the waxing service at a discounted rate. This offer is proving to be very popular. More details about the offer are available on San Diego's A-List Waxing by Celeste profile page, where information about Brazilian wax and sugar waxing services are also highlighted.

On the A-list website, voters have also highlighted why they felt this waxing salon is the best in San Diego. "Impressive and Best method of having better skincare that is so much effective for all," says Mathew F.

Meanwhile, Lynn T. says: "Celeste is the best, if you have never been waxed by her you're missing out on the best experience, she knows what she's doing and uses the best quality products."

Celeste is an intimate waxing specialist and sugaring hair removal expert. Additionally, the salon offers skin care services and 'manscaping', which is specifically for men. The wax and sugaring products that the spa uses are 100% natural and contain various oils to benefit the overall body and skin, leaving it hairless, soft, smooth and free from irritations.
