

Fence Commandos Woodlands Announces New Contractor Location in The Woodlands, Texas

September 18, 2026

THE WOODLANDS, TX - September 18, 2026 -

Fence Commandos Woodlands has announced a new location at 1700 Lake Woodlands Dr, The Woodlands, TX 77380, establishing a local presence for property owners across the community who are seeking fencing services in The Woodlands.

The new location positions the company within the heart of The Woodlands, giving homeowners, property managers, and real estate professionals a nearby point of reference when considering fencing needs. Situated on Lake Woodlands Drive, the location is intended to make the company more accessible to those searching for a fence contractor in The Woodlands who is familiar with the area.

As a fence contractor in The Woodlands, the company works with customers by recognizing that each property and project carries its own set of requirements. Fence Commandos Woodlands approaches every inquiry with the understanding that individual sites can differ in layout, purpose, and conditions, and the company gathers relevant details before discussing how it may address a particular fencing need.

"Establishing a location in The Woodlands allows the company to be closer to the property owners it serves," said Todd Dobson, spokesperson for Fence Commandos Woodlands. "Every property is different, and having a local presence helps the team understand the specific circumstances customers describe before any work is discussed."

For property owners looking for a fence company or fence contractor in the area, a local presence carries practical relevance. Customers who prefer to work with a provider familiar with The Woodlands can now identify Fence Commandos Woodlands as an option associated with the community itself. The company reports that this local identification is a central reason behind the announcement of the new location.

"The goal is to give residents of The Woodlands a clear, local option when they begin looking into their fencing needs," Dobson said. "The company wants customers to know where it is located and how to begin a conversation about their particular project."

Customers interested in discussing their fencing needs can reach the company at its location on Lake Woodlands Drive to obtain information relevant to their specific project. Because project requirements vary from one property to the next, the company encourages those with fencing needs to share the particulars of their situation so that any discussion reflects the details of the property in question.

The announcement centers on the verified location and the availability of fencing services in The Woodlands, without describing specific materials, styles, or project types. The company has framed the news around its established presence at 1700 Lake Woodlands Dr and its role as a local option for those in the community.

Fence Commandos Woodlands is a fence contractor based in The Woodlands, Texas. The company provides fencing services to customers throughout the community and works with property owners according to the individual requirements of each project. Through its location at 1700 Lake Woodlands Dr, the company aims to serve as a recognizable local resource for residents and property owners in The Woodlands who are considering their fencing options.
