

# Auto-Build Your List with Your Digital Publications

*June 29, 2016*

June 29, 2016 - PRESSADVANTAGE -

Daniel Hall Combined Enterprises is proud to announce the availability of the 'How to Auto-Build Your List with Your Digital Publications' podcast. The episode can be obtained directly from iTunes.

Daniel Hall himself says: "The Real Fast Results is a business podcast for people who want to see real results in their business fast. The show provides actionable, implementable steps in each episode. The 'How to Auto-Build Your List with Your Digital Publications' podcast is the latest episode and we are very happy to see how many people have already benefited from it."

For Daniel Hall Combined Enterprises, the goal is to focus on various interesting marketing strategies, including list building, while emphasizing out of the box, effective tactics. These include passive and recurring income opportunities, but also looks at important issues such as productivity, time management, and more. They see their podcast as a valuable investment of time that can really benefit the online entrepreneur. And one of the the most important activities for any online business is email list building.

Those who have used the various Real Fast Results podcasts have found them to be entertaining and informative, and of real benefit to their own business endeavors. "With many podcasts, you get the impression that the host is just talking to hear themselves speak," says one faithful listener on the iTunes store. "There's very little actionable content to them. That's not the case with Real Fast Results. Daniel's commitment to "Results" shines through with him and his guests sharing genuine intelligent information based on experience, not theory. What a breath of fresh air."

Another benefit of the Real Fast Results podcast is some of the episodes have accompanying videos which makes deriving results from those episodes even easier. The How to Auto-Build Your List with Your Digital Publications episode is a great example of how the podcast uses video to help subscribers achieve the results promised in the title of the podcast.
