Ambrose Law Firm Announces Robert Ambrose Named Minnesota Super Lawyer for Fifth Consecutive Year

September 18, 2026

Woodbury, Minnesota - September 18, 2026 -

Ambrose Law Firm, PLLC has announced that founder Robert Ambrose, a Woodbury Criminal Defense Attorney, has been selected as a Minnesota Super Lawyer for the fifth consecutive year, spanning the 2022 through 2026 selections. The recognition extends a run that began with six consecutive Super Lawyers Rising Stars selections from 2016 to 2021, bringing his total to eleven consecutive years of recognition by the organization.

The designation Robert Ambrose - Super Lawyers reflects a selection process that combines peer nominations, independent research, and evaluation of professional achievement. No more than five percent of attorneys in each state are chosen for the Super Lawyers list in a given year. Ambrose is identified in his profile as a top-rated criminal defense attorney whose primary practice areas include criminal defense and DUI/DWI matters.

Ambrose founded the firm in 2015 and has since represented clients across Minnesota in a broad range of

criminal matters. As the practice behind Ambrose Law Firm - Woodbury Criminal Defense Attorney services, the firm handles cases involving DWI and DUI charges, assault, domestic violence, drug offenses, theft and white-collar crimes, criminal vehicular homicide, probation violations, juvenile matters, and expungement. The firm is licensed to operate in both Minnesota and Wisconsin.

"Consistent recognition over more than a decade reflects the day-to-day work of representing people during difficult moments in their lives," said Bob Ambrose, founder of Ambrose Law Firm. "The measure of the work is not an award, but the outcomes achieved for clients who face the criminal justice system."

Ambrose was admitted to practice law in Minnesota in 2009 after earning his Juris Doctor from William Mitchell College of Law in Saint Paul. He earned a Bachelor of Arts in criminal justice from Indiana University Bloomington in 2003 and is also admitted to practice before the U.S. District Court for the District of Minnesota. Beyond the courtroom, he has served as an adjunct professor, teaching the Law in Practice course at the University of Minnesota Law School, and has presented on criminal law topics at continuing legal education programs for other attorneys.

His record includes additional honors such as recognition by The National Trial Lawyers, inclusion in the Nation's Top One Percent list compiled by the National Association of Distinguished Counsel, and a 10.0 "Superb" peer review rating through Avvo.

"The team at Ambrose Law - MN Criminal Lawyers approaches each case with the same level of preparation, regardless of its complexity," Ambrose added. "That approach has guided the firm since its founding, and it will continue to guide the work ahead."

The Super Lawyers rating service publishes its selections annually across multiple practice areas, with the aim of providing a resource for individuals seeking legal representation. The 2026 selection marks the most recent addition to Ambrose's uninterrupted record of recognition.

Ambrose Law Firm, PLLC is a Woodbury-based criminal defense practice serving individuals involved in the criminal justice system throughout Minnesota and Wisconsin.
