

## Blue Sky Bistro Announces Dog-Friendly Patio for Diners Visiting the Restaurant

*September 30, 2026*

MORRO BAY, CA - September 30, 2026 -

Blue Sky Bistro, a seafood restaurant at Marina Square on the Embarcadero, has designated its outdoor patio as a dog-friendly seating area for diners who wish to keep their pets alongside them during meals. The restaurant, located at 699 Embarcadero #6, Morro Bay, CA 93442, confirmed that dogs are welcomed on the outdoor patio, which is separate from the indoor dining room.

The designation gives patrons a defined seating option when traveling with pets. Under the arrangement, dogs are permitted only on the outdoor patio and not within the indoor dining space. The restaurant has not established reservations, guaranteed patio availability, or additional pet amenities as part of the arrangement.

The patio is positioned at Marina Square on the Embarcadero, placing seating directly along the water. Guests seated outdoors face the working harbor and the surrounding bay. The location situates the restaurant within the Embarcadero district that serves residents, Central Coast visitors, and travelers moving through the area.

Blue Sky Bistro serves breakfast, lunch, and dinner, allowing the restaurant to accommodate a range of dining occasions across the day. Morning patrons can order breakfast items, while midday and evening guests can select from lunch and dinner menus that include seafood dishes. The service schedule positions the restaurant as an option for early, midday, and evening dining.

"The outdoor patio is a designated space for guests who want to dine with their dogs while facing the bay," said Roger Sharp, owner of Blue Sky Bistro. "Patrons moving along the coast sometimes need a place where their pets can remain with them, and the patio provides that on the outdoor seating."

The dog-friendly outdoor patio in Morro Bay applies to the exterior seating area only, and indoor tables remain reserved for guests without pets. "Guests can stop for breakfast during the day or arrive later for dinner, and the outdoor seating remains available to those dining with dogs," Sharp said. "The patio and the waterfront position give visitors a clear seating option along the coast."

According to the announcement, the owner Roger Sharp mentioned in this post that the intent is to provide a defined area where diners and their animals can share the outdoor space near the water.

Blue Sky Bistro is a seafood restaurant in Morro Bay, California, offering a casual dining setting with views of the bay. The restaurant serves breakfast, lunch, and dinner, with a menu that includes seafood dishes along with a range of beverages. Additional offerings include a dog-friendly patio, free Wi-Fi, a big screen television, live entertainment, and accommodations for private parties. The restaurant is located at Marina Square on the Embarcadero in Morro Bay.
