

Ionox Pencil Grips Now Comes with Lifetime Guarantee

June 08, 2016

June 08, 2016 -

Ionox has just announced that their Ionox rubber pencil grips are now available with a 30-day warranty, and lifetime guarantee. The company is offering to replace worn out, aged pencil grip products for life.

"We want to provide this service to customers so they know they're not making a one-time purchase, but investing in a highly-rated educational product that they can count on for years to come!" said Ionox spokeswoman Chloe Joy.

According to the product description Ionox is offering a "Guarantee Your Grip" service, which states, "Every item we sell, including these bulk pencil grips, comes with a 30-day warranty and a life-time guarantee. Not happy after 30-days, just let us know. Need to replace some aging pencil grips? Just shoot us an email, and we'll take care of it."

"We know that our pencil grips are extremely popular with children, so we're sure the grips go through a lot of wear and tear. That's why we felt it was a necessary service to provide, as children are the biggest users of our product!" said Joy.

The grips are favored by classroom educators and parents as tools to help children learn how to write, and to

be able to write more comfortably. The grips are not only used by children, however, and are also popular for adults with arthritis and other fine motor skills.

Pencil grips help widen the span of a writing instrument to make it thicker and easier to grasp. The silicone material of the Ionox grips won't slip, and is FDA food-grade safe. The grips are available in both a 6- and 12-pack, and come in a bright mix of six colors. The colors include purple, green, pink, yellow, red and blue.

These ergonomically designed products are available now on Amazon. To find out more, visit <http://www.amazon.com/rubber-pencil-grips/dp/b01a1djv28/>.
