

Author Mary Jane Releases The New Alpha Billionaire Romance Novel ?Obsessed?

June 09, 2016

June 09, 2016 - PRESSADVANTAGE -

Sanford, FL - Mary Jane has announced the release of a new alpha billionaire romance for the Amazon Kindle. The author has launched a book called Obsessed which is set to satisfy fans of romance thrillers.

The book Obsessed follows the story of the beautiful waitress Carrie who has caught the eyes of two billionaire brothers. The two brothers, Sam and Mark Rockwell, are heirs to a multi-billion dollar real estate enterprise. They are blessed with good looks and lots of money. However, their personalities are different from one another.

The course of the book changes when Sam meets Carrie for the first time. He invites Carrie and her friends to a party at his mansion. However, later on he is surprised to find out that his brother Mark has asked her out as soon as she showed up. Now Sam must make some decisions. Should he stay loyal to his brother and forget his feelings for Carrie or should he attempt to claim her for his own?

The author Mary Jane commented about her latest billionaire romance series, "I love this book because it's hot and steamy and you really get connected to all three characters. Every woman that reads the book will wish she was Carrie. This alpha billionaire romance book has everything to entice readers; there is a beautiful woman, sexy and wealthy alpha males and various erotic and romantic scenes."

One reader from Amazon named Emily A. remarked about Obsessed, "I couldn't put the book down! I read it all in one night after I put the kids to bed. It is a very well written steamy and hot romance novel."

Mary Jane is a bestselling author on Amazon and has written the books Erotic Romance series, Shattered Billionaire and Goliath Billionaire. Jane's main aim is to produce creative and spicy romance novels that can take her to the top of the New York Times, Wall Street Journal and USA Today bestselling author lists.

The alpha billionaire romance novel Obsessed is sold exclusively on the Kindle for \$0.99. The book is made available for readers signed up with Kindle Unlimited free of cost.
