Sanford, FL - Caitlin Rain, Amazon bestselling author of alpha billionaire romance novels, has recently released a boxset of novels for eager readers. The boxset is called The Onyx Room and contains the three romance series ?Exotic?, ?Wild?, and ?Five Week Fiance.? Readers have been elated by the launch of the boxset and confessed that it promised to be the hottest romance novels for 2016.

One reviewer of the billionaire romance novels commented, ?The books were really engaging. It was a compilation of three stories, all of which were pretty amazing and I will say that they are the hottest romance novels of 2016.?

The ?Exotic? Romance Series looks at the story of a battle to win the love of Natasha Morgan between two wealthy brothers. One brother Joshua Hewitt sets her up with a job at Reids Industries which is owned by the other brother Marty Reid. Joshua shows his interest first but eventually Marty also becomes attracted to Natasha and a compelling tale ensues as a result.

The ?Wild? Romance series is about the dual personality of Caroline Dodger and the secrets of Eric Zimmer. The two main characters meet when Caroline?s parole officer has her arrested. Eric throughout the series tries to hide an affair he had with his best friend Clyde?s fiance.

The ?Five Week Fiance? Romance Series is an interesting story concerning the billionaire Eli Plainview and his fight to keep his business afloat from the schemes of his competitor and former best friend Douglas Robinson. Eli?s public relations expert Simon ?The Fix? Smith creates a plot to make Eli more popular and he becomes entangled with Angela Fitzgerald as a result.

One Amazon reviewer named ?krallkrew? had high praises for the Onyx Room boxset while congratulating the billionaire romance novels for being gripping and deep in plot. The reviewer remarked, ?Thank you Amazon for the bundle deal and bless you, Caitlin Rain for sharing your gift of imagination. These stories while erotic, were in-depth, insightful and a pleasure to read. The characters didn't just meet, they grasped at happiness, grew through emotion and challenges then embraced love in its many forms. The category of erotic was just a bonus yet not vulgar or crude. These were gripping stories with plot and depth and no cliffhangers.?

Caitlin Rain was glad that her billionaire romance novels in The Onyx Room were gaining traction among readers. She recently stated, ?I am so glad that the readers liked the story. I loved writing these stories and the positive comments that I received kept me writing!?

Caitlin Rain made the billionaire romance novels available on Amazon for a low price of $0.99. The readers on Kindle can receive the books free of cost if they are subscribed to Kindle Unlimited.
