

Bloomin' Blinds of Cumming & Johns Creek Earns Best of Forsyth Nomination in Window Treatments Category

October 13, 2026

Cumming, Georgia - October 13, 2026 -

Bloomin' Blinds of Cumming & Johns Creek has once again been nominated for the Best of Forsyth Window Treatments Company 2027 in the Window Blinds and Window Treatments category, an honor determined by community votes cast through the Forsyth News annual awards program.

The Best of Forsyth program invites residents of Forsyth County to recognize local businesses across a wide range of categories. This year's nomination places the family-owned company among the local providers being considered by area residents for excellence in the window treatment industry. Voting is open to the community October 1-31, 2026 through the Forsyth News awards gallery, where residents can select their preferred businesses in each category and cast a vote once daily during the voting period.

The nomination reflects the company's ongoing presence in the local market, where it offers custom window blinds, shades, shutters, screens, and drapes in Cumming & Johns Creek and surrounding communities. The family-owned and operated business serves Alpharetta, Cumming, Ball Ground, Dawsonville, Johns Creek and surrounding areas, providing free at-home consultations through a mobile showroom that brings product samples directly to customers.

"It is an honor to be nominated for Best of Forsyth once again, since we are the current 2026 award winners, because it comes directly from the community," said Ashley Sasher, owner of Bloomin' Blinds of Cumming & Johns Creek. "As a family-owned business, the trust that local residents place in the company means a great deal, and the nomination represents the relationships built with homeowners across Forsyth County."

Residents who wish to support Bloomin' Blinds of Cumming & Johns Creek can also visit the company website. The voting period allows community members to participate in selecting the local businesses they consider most deserving of recognition.

Bloomin' Blinds of Cumming & Johns Creek specializes in custom window treatments designed to fit windows of any size or shape. The company offers transparent pricing with free estimates, motorization and smart home integration options, professional measurement and installation services, and on-site repair for shades, shutters, and blinds. Product options include selections for light diffusing, room darkening, and temperature control, available in a range of fabrics, colors, and patterns.

"The nomination encourages the entire team to continue focusing on quality service and dependable installation," Sasher said. "Every project, whether a new home or a single window repair, receives the same attention, and that consistency is what the community has responded to."

The company also emphasizes child safety in its window treatment options and provides a window visualizer tool that allows customers to preview how a specific product will appear in their space.
