

Goldson Spine Rehabilitation Center Opens New Aventura Location

June 17, 2016

June 17, 2016 - PRESSADVANTAGE -

Aventura, Florida ? Goldson Spine Rehabilitation Center is announcing the opening of our fourth location in South Florida. For over twenty years, we have been servicing the community by providing top notch chiropractic care, physical therapy, massage therapy, injury treatment and currently acupuncture.

They have expanded their practice to now include Dade County with the addition of an Aventura facility. Located at 20475 Biscayne Boulevard, Aventura, FL 33180 in the Promenade Shops, The Goldson Spine Aventura facility will open to receive patients in June 2016.

As customary, the Goldson Spine Rehabilitation Center (Aventura facility) will specialize in treating and managing pain, decreasing and/or eliminating stress in order to maximize spinal health as well as providing therapy and treatment for injuries. Goldson Spine continues to offer state of the art technology to include Digital Motion X-Ray, flexion distraction, electrical stimulation and laser treatments. The chiropractic physicians at Goldson Spine are also certified to do D.O.T. (Department of Transportation) physicals and are trained in treating patients for a variety of ailments and injuries associated with headaches, back and neck pain, sciatica, arthritis, and disc problems. Our team also treats individuals involved in auto accidents, slip and falls, and those who have experienced work- related injuries.

The hours of operation for the Aventura location will be Monday through Friday, 8:00 a.m. ? 6:00 p.m.; except Thursdays where we are open 8am to 1:00 p.m. and Saturday 9:00 a.m. ? 12:30 p.m. For more information about Goldson Spine Rehabilitation Center, call (866) Goldson / (866) 465-3766 or visit our website www.goldsonspine.com.

#CallGoldsonSpine for Neck Pain, Back Pain, Accident Pain, or any kind of Pain, the company says.

Those who are interested can find Goldson Spine on Instagram, Facebook, Twitter, YouTube and Google Plus. They welcome all interaction and feedback.
