

Leading Cincinnati Business Coaching Firm Introduces Two New Internationally Renowned Kauffman Foundation Courses

June 13, 2016

June 13, 2016 - PRESSADVANTAGE -

KDDK Legacy Group LLC is pleased to offer two of Kauffman Foundation's internationally known courses beginning July 2016. *Listening to Your Business* is targeted toward existing entrepreneurs that want to create a three-year vision for their firms. *FastTrac GrowthVenture* is designed to support entrepreneurs seeking to take their existing businesses to the next level.

Listening to Your Business, a four-hour course offered on a monthly basis, is focused on building a roadmap for the future. The program utilizes exercises and materials to identify where the company is; where the owner wants it to be; and developing a plan to get there. Owners will be able to document and review their plans as tools to help hold themselves and others accountable.

FastTrac GrowthVenture, which shares proven strategies and processes for healthy business growth, is presented one day per month over a five-month period. This allows participants to implement monthly strategies before moving on to the next topic. *FastTrac GrowthVenture* helps existing entrepreneurs analyze their current business situation to identify the best opportunities for growth. Budgeting, sales strategies,

management team roles, operational systems and business plan implementation are key areas of emphasis. The course also facilitates networking between entrepreneurs and professionals.

Kauffman FastTrac is a leading global provider of entrepreneurship education programs. "FastTrac courses not only help aspiring and established entrepreneurs uncover answers, they also help individuals determine the right questions to ask," said Michele Markey, vice president of Kauffman FastTrac. "FastTrac training allows you to save time and money by testing the feasibility of your business growth concepts before you act."

Dr. Rea Waldon, President & CEO of KDDK Legacy Group LLC states, "I have been coaching for over 25 years and since 2007 I have utilized the FastTrac model to work with clients. The materials are comprehensive and easy to follow. Clients have shared that they continue to refer back to their training materials years after completing the program."

Over the past 20 years, FastTrac courses and workshops have helped more than 350,000 entrepreneurs assess their business ideas and start and grow their businesses. KDDK Legacy Group LLC is proud to be a Kauffman FastTrac Certified Affiliate and looks forward to providing these internationally known programs.
