Albuquerque, NM - CKLBRANDS has announced the release of their new product on the Amazon marketplace for customers online. The new product is called Vitamin D3 Capsules and is packaged as 5,000 IU softgels with organic soy bean oil. The manufacturers have also included a free bonus report that adds value to the product.

The free bonus report reveals five critical reasons why Vitamin D is so important. The report helps the customer to understand why it is essential to take their Vitamin tablets. In addition, the bonus report outlines a few things that can happen for the customer once they are on the dietary supplement.

A representative from CKLBRANDS remarked, "We recently launched our newest product, Vitamin D3 capsules, to the online shopping marketplace, Amazon. We have every confidence that it can assist the customers in the improvement of their bodily amounts of Vitamin D. We were vigilant to make the product become available with a helpful report that can assist customers to know the benefits of Vitamin D."

The representative further commented, "The report speaks about how essential Vitamin D is in improving the skin's ability to combat daily UV radiation of the sun. It also expounds on Vitamin D increasing serotonin levels in the body and enhancing absorption of calcium in the bones."

A reviewer of the Vitamin D3 Capsules on Amazon stated that, "My Vitamin D level runs low, even in the summer time when I am outside enough to get a tan. Vitamin D also known as the "Sunshine Vitamin" is crucial to the absorption of calcium. Since I have bone loss, I want to be sure to get adequate Vitamin D and Calcium Daily. I appreciate that this Vitamin D contains 5,000 IU. When my Vitamin D is low I am very lethargic."

CKLBRANDS Vitamin D3 Capsules are made available to online shoppers on the giant shopping portal Amazon. The product comes with a 30 day money back guarantee. Hence customers can order in confidence knowing that if there are any problems with their purchase, they can be refunded.
