April 30, 2015

April 30, 2015 -
Michael Taggart spoke to the crowd at the GKIC Super Conference 2015 in a live training session where he discussed building your authority using new cutting edge techniques. The attendees listened intently as he discussed key strategies in Internet Marketing, SEO, building authority, and maximizing media exposure.

Many in the audience were looking for solutions to getting more customers, as well as to generate publicity and increase visibility for their businesses using Search Engine Optimization. Michael Taggart has always been on the forefront of SEO and Online Marketing since entering the online marketing world over 10 years ago.

He has trained many business owners over the last 10 years on how to build 7 Figure businesses. Michael has been asked to speak at multiple prestigious conferences including HUSH VIP, Traffic and Conversion, and more. This was his second time talking at GKIC.

Once the audience was able to see what Michael's products and experience could do for them, they were stunned. Those who were truly business savvy knew that they needed to secure his Authority and Branding

Package for themselves. The whole crowd erupted in excitement and decided that this product was the biggest, most important thing they could do to grow their business today.

One attendee stated that he can't wait to see what Michael?s product can do to help him grow his company's wealth and exposure in 2015 and beyond.
