Lantern Crest Senior Living Announces Fall and Halloween Festivities for Residents

October 09, 2026

Santee, California - October 09, 2026 -
Lantern Crest Senior Living, a senior retirement community in Santee, California, has announced a season of fall-themed activities and Halloween celebrations for residents across its independent living, assisted living, and memory care neighborhoods.

The autumn programming reflects the community's ongoing commitment to seasonal engagement, offering residents a calendar of events designed to mark the holiday while encouraging social connection. Activities planned for the season include festive decorating, themed dining experiences, costume gatherings, and interactive events tailored to residents at every level of care.

The celebrations extend to each of the community's distinct neighborhoods. Independent living residents can take part in autumn outings and social gatherings, while assisted living residents join in events supported by onsite staff available around the clock. Within the memory care neighborhood, specialized seasonal activities are structured to provide a warm, family-like atmosphere for residents with Alzheimer's and dementia care needs.

Kaan Ciftci, speaking for Lantern Crest Senior Living, noted that seasonal events play an important role in community life. "Fall brings a natural opportunity to gather residents together around familiar traditions," Jane said. "The Halloween celebrations are planned so that every resident, regardless of care level, can participate in a way that feels meaningful and comfortable."

The fall programming builds on the community's broader approach to resident engagement, which includes regular activities, outings, and events throughout the year. Seasonal celebrations are coordinated across departments so that residents in each neighborhood experience festivities suited to their interests and needs.

Ciftci added that staff involvement helps bring the season to life for residents and their families. "Our team takes part in the decorating and the costume events alongside residents," Ciftci said. "That shared participation is part of what gives the season its sense of community here."

The autumn and Halloween events take place within a setting that includes resort-style amenities such as dining facilities, gardens, a swimming pool, and a putting green. These spaces provide a backdrop for seasonal gatherings, allowing residents to enjoy fall traditions in a comfortable environment.

Families of residents are also encouraged to join in select seasonal events, reflecting the community's emphasis on connection between residents and their loved ones during the holiday season. The involvement of family members adds to the atmosphere of the celebrations across all neighborhoods.

Lantern Crest Senior Living is a senior retirement community located in Santee, California. The community offers independent living, assisted living, and memory care services, supported by onsite staff available 24 hours a day. Residents have access to a range of amenities, including dining facilities, gardens, a swimming pool, a putting green, and a variety of floor plans. The community hosts year-round events and activities designed to support an engaging lifestyle for seniors across all levels of care, with memory care services specifically designed for residents with Alzheimer's and dementia care needs.
