

# Arizona Painting Company Renews High School Football Sponsorship

*October 08, 2026*

Scottsdale, Arizona - October 08, 2026 -
Arizona Painting Company has returned as a sponsor of the Desert Mountain High School Wolves football program in Scottsdale for the 2026 season, its second consecutive year backing the team. The renewed sponsorship continues the residential painting company's support for youth athletics in the communities where its crews and customers live.

The sponsorship helps Wolves student-athletes have the resources they need on and off the field. Desert Mountain High School competes in the 5A Northeast Valley region, and its football program won the 2025 Arizona 5A state championship, the first 5A state title in the program's history. The school is one of the high school football programs the company backs across the Valley, and the Wolves' fall schedule keeps that support in front of the school community throughout the season.

"Backing the Wolves for a second season was an easy decision for us," said Doug Caris, CEO of Arizona Painting Company. "Our crews and our customers live in these neighborhoods, and supporting the schools

and teams here is part of how we run the business, not something we do once and move on from. We plan to keep standing behind local youth athletics right alongside the rest of our community work. This is where a lot of our people work every day, so the Wolves feel like our team too."

The football sponsorship sits within a wider program of community work at the company. Arizona Painting Company also sponsors the Hamilton High School Huskies football program in Chandler, close to its East Valley head office, and through its annual Paint It Forward initiative it selects recipients each year for donated painting work carried out by its own painters. A summary of these programs, including past Paint It Forward projects, is available on the company's community involvement page.

Outside of athletics, the company completed a Make-A-Wish Foundation project that created a galaxy-themed bedroom for a wish recipient, and it supports Boys & Girls Clubs of the Valley. Its crews have also taken part in a Martin Luther King Jr. Day of Service community painting project in Phoenix, drawing on the same painters who carry out the company's residential work. Arizona Painting Company has been serving Arizona homeowners for 25 years across the Valley. Like the school sponsorships, those projects take place in the same Arizona communities the company serves through its six offices.

In Scottsdale, the same crews carry out residential interior and exterior painting for many of the families the sponsorship reaches, from stucco exteriors to cabinet refinishing, with color consulting that includes selections meeting homeowners association guidelines. An on-site foreman leads every job, and the work is checked through a manager inspection and a final foreman inspection.

"Congratulations to the players, coaches and families on the 2025 state championship," Caris said. "That title belongs to them, and their season is a big part of fall in this community. We're glad to be standing with the team again, and whatever the record looks like by the end of the year, we'll be behind them."

Arizona Painting Company provides residential interior and exterior painting across Scottsdale, serving homeowners from its North Scottsdale office and sending crews into neighboring Paradise Valley and Fountain Hills. Work in the area ranges from stucco exteriors and masonry walls to interior walls, ceilings, trim and kitchen cabinets. The company holds an A+ rating from the Better Business Bureau.

The renewed sponsorship keeps Arizona Painting Company connected with Scottsdale families through the football season while its crews continue residential painting work across the city. Homeowners have left more than 2,000 five-star reviews for the company across its six Arizona offices. Updates on the Wolves sponsorship and the company's other community work are shared on its Facebook page, and further information about its residential painting services is available on the company website.
