

RX Fitness Equipment Expanding Thousand Oaks Store

June 20, 2016

June 20, 2016 -
RX Fitness Equipment is proud to announce that they are expanding their Thousand Oaks, California store. The date of the grand reopening has not been announced, but representatives of the store have indicated that it will likely be in August or September. With this expansion, RX Fitness will have nearly double the floor space with almost twice as much equipment in stock. Once a date is set for the grand reopening, it will be announced through the company's website http://rxfitnessequipment.com as well as their social channels.

Tim Adams, owner of RX Fitness Equipment, says, "As we've grown over the last two years, Darci and I have been privileged to add several new lines to our product offerings, including TRUE Fitness. In addition to all of the new cardio equipment brought on board over the last two years, we have also added strength equipment from Vectra Fitness, flexibility from JumpSport, and many, many others. We strive to listen to our customers and do our best to stock exactly what they want. We also pledge 'best in the business' followup and service after the sale for as long as you own your equipment."

RX Fitness Equipment has always been committed to more than just selling exercise equipment and accessories. Tim Adams himself is the author of the bestselling book 'Fitness Equipment - A Shopper's

Guide: How to Research, Evaluate and Purchase the Perfect Exercise Equipment for Your Home Gym', which was written to give people a greater understanding of the type of equipment they should focus on and how to choose what is right for their particular needs. Furthermore, on their Facebook page, https://www.facebook.com/Rxfitnessequipment, they regularly share information on subjects ranging from diet and nutrition to the proper execution of at home exercise routines.

The RX Facebook page is also frequently used by clients to leave reviews about the products and services they have received. "I'm a trainer and manage a gym in Westlake," says Jeremiah B. "The only place I refer any of my clients or friends is RX Fitness. Tim Adams offers the best customer service you will find anywhere. Half the experience of purchasing fitness equipment is walking in and having a conversation with Tim. You will always walk out with a smile and a quality product. RX Fitness is nothing but the absolute best."

Look for an annoucement soon regarding the Grand Reopening celebration, but don't wait until then to drop by and visit the newly expanded space. Tim and Darci Adams are almost always around to say hello and answer your questions.

People are also encouraged to visit the company's YouTube channel on https://www.youtube.com/user/RXFitnessEquipment for further information.
