

Kobé Japanese Steakhouse in Kissimmee Unites Dinner and Live Culinary Entertainment Through Hibachi Dining

October 21, 2026

KISSIMMEE, FL - October 21, 2026 -
Kobé Japanese Steakhouse in Kissimmee, FL, is bringing dinner and live culinary performance together through its teppanyaki service, where skilled chefs prepare meals tableside as part of an interactive dining experience. The restaurant, located near Disney World, combines traditional Japanese cooking techniques with an entertainment-forward approach designed to serve guests of all ages.

The teppanyaki format places chefs at the center of each meal, preparing dishes on a flat iron grill directly in front of seated guests. The presentation incorporates recognizable techniques such as the Beating Heart, the Egg Roll, and the signature Onion Volcano, turning meal preparation into a shared experience for groups seated at communal tables and private settings alike.

Hibachi dining in Kissimmee, FL has become a draw for both residents and visitors to the Central Florida area, where the restaurant sits within reach of the region's major attractions. The entertainment element of

the format allows families, couples, and larger parties to gather around a single grill while chefs prepare steak, seafood, and vegetable dishes to order.

Doi Tan Nguyen, a representative of the restaurant, described the approach behind the format. "The teppanyaki table turns a meal into a gathering," Nguyen said. "Guests watch each dish come together in front of them, and that shared moment is as much a part of the evening as the food itself."

Beyond the teppanyaki experience, the restaurant offers traditional dining with signature dishes that include the classic Filet Mignon and hand-made sushi selections such as the Spicy Tuna Poke Bowl. The menu also accommodates a range of dietary needs, with gluten-free and vegan options available for guests seeking alternatives to standard offerings.

The restaurant has structured its services to reach guests in several ways beyond in-house seating. Take-out orders are available for pickup, including curbside service, and delivery is offered through a partnership with DoorDash. Catering and a banquet menu serve larger gatherings of twenty or more, and the venue hosts private events ranging from birthdays and graduations to anniversaries and corporate functions.

Nguyen noted that the format lends itself naturally to celebrations. "People choose this kind of dining for the occasions that matter to them," Nguyen said. "Whether it is a birthday or a company gathering, the live cooking gives the table a reason to come together."

Reservations are available for guests who wish to plan their visit in advance, including the option to request a specific teppanyaki chef at the time of booking. The restaurant is open for lunch on weekends and for dinner throughout the week.

Kobé Japanese Steakhouse is a hibachi restaurant located in Kissimmee, Florida, near the Walt Disney World area. The establishment specializes in teppanyaki and traditional Japanese dining, offering tableside cooking, hand-made sushi, and a menu that accommodates a variety of dietary preferences. In addition to in-house dining, the restaurant provides take-out, delivery, catering, reservations, and event hosting for both small and large groups.
