Law Offices of Judy Greenwood Announces Office Relocation

October 30, 2026

PHILADELPHIA, PA - October 30, 2026 -
Law Offices of Judy Greenwood, P.C. has relocated its Center City office from 1800 JFK Boulevard Suite 1500A to 1650 Arch Street, Suite 2502-A, Philadelphia, PA 19103. The firm is now located at the Arch Street suite. The firm's local phone number is (215) 557-7500.

Clients who previously visited the John F. Kennedy Boulevard location now meet at the new suite for in-person meetings. A second office remains listed in Plymouth Meeting at 1250 Germantown Pike STE 205, reachable at (610) 281-4657 for people who prefer to meet in Montgomery County.

"Moving a few blocks keeps consultations and case meetings convenient for clients who come downtown," said Judy Greenwood, founder of the firm. "Our phone number stays the same, and our suburban office remains available for people who prefer to meet there."

She opened the practice in 1993. She earned a Bachelor of Science degree from Temple University in 1971 and a Juris Doctor degree from Rutgers University in 1975. Before starting her own office she worked as a public interest lawyer representing indigent clients in state and federal court, and later practiced with Bernstein, Bernstein, and Harrison.

Work concentrates on medical malpractice and catastrophic injury matters. Areas described on its website include medical negligence, birth injuries, surgical mistakes, failure to diagnose, hospital negligence, medication errors, emergency room errors, nursing home negligence, auto and trucking accidents, premises liability, workplace injury, and related claims. A doctor who is also a lawyer is available to review medical aspects of a case before litigation strategy is set.

Its lawyers handle matters across the five-county region, naming the city plus Montgomery, Bucks, Delaware, and Chester counties, and elsewhere when appropriate. The office describes itself as trial-focused and prepares cases for negotiation and for courtroom presentation, including use of modern exhibit technology when a matter proceeds to trial.

Greenwood has served on the Board of Directors of the city's Trial Lawyers Association and is a member of the American Association for Justice, the Pennsylvania Association for Justice, and the state and city bar associations, according to her attorney biography. She has also volunteered as a Judge Pro Tem for the city courts, helping mediate professional malpractice and other injury matters.

People who need to reach the downtown office may call the number above. Prospective clients may request a consultation through the contact page online. Written correspondence and scheduled visits should go to the new suite.
