

Torkay Event Services Announces Holiday Tent Rental Availability and Expanded Event Support Options

October 30, 2026

October 30, 2026 -
Torkay Event Services LLC, a full-service event rental and production company serving the Greater Houston metro area since 1992, is now accepting holiday season reservations across its commercial tent rental inventory. The company carries 15 tent configurations spanning from a 10-foot-by-10-foot EZ-Up pop-up canopy to a 40-foot-by-120-foot commercial white frame tent covering nearly 4,800 square feet. Reservations are open for Thanksgiving gatherings, corporate year-end parties, quinceañeras, and outdoor holiday events through the end of the calendar year across Harris, Montgomery, Fort Bend, and Waller counties.

"The fourth quarter is consistently our busiest tent rental period," said Cameron Torkay, founder of Torkay Event Services. "Clients are booking larger configurations earlier each year, and we see a consistent spike in requests for sidewalls and enclosure siding as temperatures drop. We coordinate delivery, installation, and pickup directly, so clients are dealing with our team from start to finish."

The tent inventory spans three categories. EZ-Up pop-up canopies in 10x10 and 10x20 configurations are

suited for vendor setups, buffet stations, outdoor bar service, and smaller gatherings, with commercial-grade frames built for repeated event use. Commercial white frame tents form the core of the lineup, available in 12 size configurations ranging from a 20x20 high-peak frame at 400 square feet up through 30x30, 20x40, 30x40, 20x60, 40x40, 20x80, 40x60, 40x80, 40x100, and 40x120, with the largest covering 4,800 square feet. The 40x50 structure tent includes sidewall panels that fully enclose the space, making it the appropriate choice for evening events or situations where weather protection is the primary concern. That configuration does not include climate control equipment, which clients should arrange separately if required. Tent accessories available for any configuration include sidewalls, clear enclosure siding, tent jacks, stakes, leg weights, and water barrels. Delivery fees, installation scheduling, and any weather-related use restrictions are confirmed at the time of booking.

Tent rentals are one component of Torkay Event Services' full-service event production offering. The company provides tables, chairs, staging, lighting, dance floors, DJ services, catering equipment, bartenders, servers, and complete event staffing, enabling organizers to coordinate their entire event through a single point of contact. This integrated model is particularly relevant during the holiday season, when corporate clients and private hosts are managing multiple vendor relationships simultaneously. Torkay Event Services handles the full scope of event infrastructure under one contract, reducing coordination complexity and delivery window conflicts.

"Most clients renting a large tent are also coordinating tables, chairs, lighting, and staffing," Torkay said. "We handle all of those categories in-house, so the delivery schedule, setup sequence, and crew are managed through a single contract rather than across four or five separate vendors. For the client, that typically means fewer scheduling conflicts and a single point of contact if something needs to change the day of the event."

Torkay Event Services delivers and installs tent rentals across the Greater Houston metro area, including Cypress, Tomball, The Woodlands, Katy, Sugar Land, Magnolia, Hockley, Waller, and surrounding communities in Harris, Montgomery, Fort Bend, Waller, and Washington counties. Extended delivery service is available beyond the standard radius, with extra delivery fees applied where applicable. Holiday season dates fill ahead of other periods, particularly for frame tent configurations of 40 feet or wider. Clients planning events in November and December are advised to confirm availability before committing to a venue or catering schedule. All inquiries are handled directly by Torkay Event Services staff, with no automated phone systems or outsourced contact centers involved in the booking process.

Tent rental availability, configurations, and pricing are listed at torkayevents.com/category/tents/. The full rental inventory and event date availability are available at torkayevents.com. The Torkay Event Services team can also be reached by phone at (281) 972-5110.
