June 28, 2016 - PRESSADVANTAGE -

Doll Collectors of North Park has announced their first ever event. The meet up, which will be a regular event, is set for the Lafayette Hotel in North Park in San Diego, California, on June 25, 2016. This is a group of like minded collectors of dolls of all types. They meet once per month, and have programs and doll sharing at each meeting.

"Our members collect modern as well as vintage dolls," states Stephanie Beck, a spokesperson for the club. "We truly enjoy supporting each other and sharing our stories."

The upcoming event will offer a chance for doll collectors to meet, share knowledge, and get to know others who share the same interests. The meeting is the first of its kind, but the club spokesperson says that others may soon follow. Stephanie says, "We want to really kick off this first meeting, and hopefully we will see so much enthusiasm and such a great turnout that we'll make it a regular thing with members from all over the nation."

The club states that they hope everyone will make plans to join the event, which will include an itinerary filled with activities for doll collectors of all types and all ages. Those interested in learning more about the Doll Collectors of North Park can visit them on their official Facebook page, where members currently share photos and stories of their collecting adventures.

The club states that anyone interested in joining them in San Diego at the first ever event can learn more about it as well as area happenings on the official Facebook page for the specific event. Also listed on the page is information about the Lafayette Hotel Swim Club and Bungalows, and general information about San Diego for first time visitors. The official Facebook page to the club's event can be found at <https://www.facebook.com/events/158166374597548/>.

The club has not yet stated when the next event may take place or if they plan to host it in San Diego as well, or are planning to move it to another area. Those who are interested may want to check out the Doll
