June 28, 2016

June 28, 2016 - PRESSADVANTAGE -

Tisha's Choices announces the release of the second in the series of hair accessory collections for the year 2016.

The second collection celebrates the Summer Out of School for approximately 10 weeks event that lights up the hearts of nearly every girl from kindergarten to high school. This collection highlights the summer months and activities with soft cloth ponytail hair bands that won't break the hair and are practically ouch-less, the company says. The pony bands are complemented with pink & turquoise grosgrain ribbon covered hair clips that are also easy on the hair.

Spokesperson for Tisha's Choices, Jillian Gregg, states: "We're delighted to bring to the market place another set of high-quality hair accessories for teens, girls and toddlers. We're especially happy we found products that won't damage or pull hair out while trying to get the ornaments out of hair, even baby fine hair. Our staff hunted high and low for these expertly made colorful gems, and we know girls will love using them to decorate any hair style they can imagine."

The soft cloth ponytail hair bands stay in place in the hair in spite of getting wet in the lake or pool yet are easily removed without pulling or breaking the hair. The pink and turquoise hair clips are a beautiful

summer's bouquet of color to complement the ties and the colors won't run even if they get wet.

Customers can find this Summer Collection of Girls' Hair Accessories on Amazon or at tishaschoices.com.
