Big Ben Lawyers Partners with ABC7 to Support Spark of Love Toy Drive

November 13, 2026

GLENDALE, CA - November 13, 2026 -
Big Ben Lawyers, a personal injury law firm based in Southern California, has announced its participation in the ABC7 Spark of Love Toy Drive, a seasonal campaign that collects new toys and sporting goods for children and teens throughout the region during the holiday season.

The firm is serving as a community collection partner for the initiative, inviting local residents to drop off new, unwrapped toys at participating locations. The Spark of Love Toy Drive, organized annually by ABC7 in cooperation with area fire departments, gathers gifts for families who might otherwise go without during the holidays. Donations collected through the campaign are distributed to children across Southern California.

The firm's involvement reflects a broader commitment to community service that extends beyond its legal practice. Known across the region as a car accident lawyer glendale california residents turn to following collisions and related injuries, the firm has chosen to dedicate part of its holiday outreach to supporting families in need.

"Giving back to the community that has supported this firm for so many years is a responsibility that the entire team takes seriously," said Benjamin Charchian, founder of Big Ben Lawyers. "The Spark of Love Toy Drive reaches children and families throughout Southern California, and partnering with ABC7 on this effort allows the firm to make a meaningful difference during the holiday season."

The campaign runs through the holiday period, with collection boxes placed at the firm's offices to accept donations of new toys, games, and sporting equipment. Organizers note that gifts suitable for older children and teenagers are often in shorter supply, and contributions in those categories are especially helpful.

Big Ben Lawyers maintains offices in several California communities, including Glendale, Fresno, Ontario, Riverside, Sacramento, and San Bernardino. The firm handles a wide range of personal injury matters, and its reputation as a truck accident lawyer glendale california families rely on has grown alongside its work representing those harmed in collisions involving large commercial vehicles.

"The holidays can be a difficult time for many families, and a single gift can make a lasting impression on a child," Charchian added. "Supporting this drive is one way the firm can contribute to the well-being of the communities it serves throughout the year."

The partnership with ABC7 marks another chapter in the firm's ongoing community engagement. Staff members are encouraging clients, colleagues, and neighbors to take part by contributing toys during the collection period.
