

Ultimate Home Solutions Highlights Window Installation for Glen Ellyn Homeowners

November 20, 2026

GLEN ELLYN, IL - November 20, 2026 -
Ultimate Home Solutions Windows Doors & Siding Company, a family owned exterior remodeling company serving the western suburbs since 1989, is helping local homeowners upgrade comfort, curb appeal and energy performance through professional window installation in Glen Ellyn. From its showroom at 466 Roosevelt Rd, the company offers replacement windows from leading manufacturers, installed by crews certified on every product it sells.

Older windows are one of the most common sources of drafts, condensation and high heating bills in Chicago area homes. Ultimate Home Solutions Windows Doors & Siding Company addresses these issues with vinyl, composite, wood and fiberglass windows that are fully customizable to each home. Homeowners can choose from awning, bay and bow, casement, double hung, picture and slider styles, with energy efficient options designed to improve thermal performance year round.

The company partners with respected window brands including Andersen, Pella, Marvin, Sunrise and

Restorations, giving Glen Ellyn residents a wide range of looks and price points under one roof.

"Glen Ellyn homeowners care about keeping the character of their homes while making them more comfortable to live in," said Dennis Bales, founder and president of Ultimate Home Solutions. "Our goal with every window installation in Glen Ellyn is simple. Help the family pick the right product, install it right the first time, and stand behind it for life."

Every project is backed by a limited lifetime warranty that includes labor protection for life, along with a price match guarantee on competitor estimates. The company holds an A+ rating from the Better Business Bureau and has earned a strong base of referrals and repeat customers across more than three decades in business. Recent customer reviews point to clean jobsites, responsive communication and fast installation times, with some multi window projects completed in as little as half a day.

As a full service exterior remodeling company, Ultimate Home Solutions also installs entry and patio doors, siding, roofing and seamless gutters. This allows homeowners to plan window upgrades alongside other exterior improvements with a single, accountable contractor. Beyond Glen Ellyn, the company serves Wheaton, Lombard, Downers Grove, Lisle, Warrenville, Naperville, Aurora, Batavia, Oswego and surrounding communities, with a second operations office in Naperville.
