

Daniel Hall Releases Evergreen Content Marketing Information On iTunes Podcast

August 22, 2016

August 22, 2016 - PRESSADVANTAGE -

Daniel Hall Combined Enterprises has announced an important iTunes podcast release that explains the importance of creating evergreen content for audiences. The Real Fast Results is a business podcast for those who want to learn how to quickly see results in their business marketing efforts.

Luanna Rodham with Daniel Hall Combined Enterprises says, "James Joyce's 'Finnegans Wake' is a fascinating example of evergreen content that continues to attract audiences, and after more than 300 years."

The podcast, now available on Apple iTunes, focuses on marketing strategies and list building with an emphasis on tactics that are extremely effective, but Rodham says, not very well known in the marketing world. Rodham explains, "These are strategies that have been proven to work, but unfortunately marketers aren't aware of them. That's what the podcast is about; explaining these strategies."

Rodham states that the podcast offers actionable steps in every episode, and covers things like passive and recurring income opportunities, in addition to time efficiency and productivity tips, to help busy entrepreneurs to better manage their time and their content.

Rodham says that marketers can learn useful strategies that will be as enjoyable as they are practical, and that they can learn valuable ways of increasing their marketing results. The podcast offers several episodes, the latest focusing on evergreen content marketing and its effects and benefits.

The company states that while not all marketers are aware of this strategy, more people are learning how to make it an effective part of their marketing scheme, and that it offers powerful results.

The company states that new podcasts are being planned every day and that marketers should stay updated on the latest methods for creating winning marketing campaigns and taking their business to the next level. More about the available and upcoming podcasts, as well as the company in general, can be seen on their official website.
