

Joel Helfer Reviews Mojo Global Lead Generation System

July 11, 2016

July 11, 2016 - PRESSADVANTAGE -

Mojo Global, an online marketing business in Scottsdale, AZ, is proud to announce that their lead generation system has recently received a glowing review by Joel Helfer from Remarkable! Radio, which has been posted on <http://www.ingenioussem.com/mojo-gobal-review-by-joel-helfer/>. Mojo Global has set up a system that shows people how to use LinkedIn to provide them with a regular flow of leads. In the review, Joel relates that even after 6 months of joining LinkedIn, he still had no leads. However, once he started using the lead generation system, his calendar began to fill up with appointments with coaches, small business owners and consultants who want to know more about Remarkable! Radio.

Cory Michael Sanchez from Mojo Global says: "We were so happy to hear from Joel. We are all avid listeners of Remarkable! Radio, so being able to work with them was a dream come true. To then hear how happy he has been with our training system makes it all even better. We really want to thank Joel for his review."

Mojo Global's founders Cory Michael Sanchez and Ira Rosen have won numerous awards for their online marketing work. These includes the Phoenix Business Journal's 'Marketer of the Year' and Icon Media's 'Best Video Product'. Furthermore, they have, between them, authored a number of books focusing on online

marketing. Their combined experience has enabled them to start Mojo Global, helping others to generate leads for potential customers through LinkedIn.

Helfer's review is one of many, as the majority of people who have worked with the Mojo Global system have been very pleased with the results. "The experience with Mojo has been extraordinary," says Danyyal A.K. on <https://www.facebook.com/gomojoglobal/>. "My company was a startup (a writing firm with a lot of potential), but did not have the right set of tools to get it pitched to real, prospective clients. Mojo helped me take it an entirely different level, someplace I never thought I'd make it. Renee was an excellent resource throughout, right from her introductory Webinar to the system, she stuck with me throughout, guiding me personally wherever I needed help, and eventually led me to a lot of success. I don't normally write reviews, but what I gained from Renee and Mojo (converting a startup into an established company), I really had to write this."
