Adulations have been pouring in for the new billionaire romance series from Caitlin Rain entitled ?Exotic.? Many readers have spoken of their love for the characters in the book. Some have even begun to say that it reminds them of the popular novel ?Fifty Shades of Grey?; such are the similarities between the books.

Fifty Shades of Grey was an erotic romance novel done in 2011 by E.L. James. It topped best-seller lists worldwide selling over 125 million copies by June 2015. The novel was the first installment in the Fifty Shades trilogy which also included the novels Fifty Shades Darker and Fifty Shades Freed. The first novel traced the deepening relationship between a college graduate Anastasia Steele and a young business magnate Christian Grey. It contained explicitly erotic scenes which had fans wildly looking to secure it in its original ebook format.

The ?Exotic? Romance series from Caitlin Rain covers five books that have been self-published on Amazon.

The titles include Exotic Feelings, Exotic Ways, Exotic Minds, Exotic Desires and Exotic Times. The books follow the story of Natasha Morgan who is recently out of college and got hired by Reids Industries owned by Marty Reid. A romance develops between the two main characters with some eventual opposition from Marty?s brother, Joshua Hewitt.

?I enjoyed reading the Exotic Series. Caitlin Rain did a good job with these books and I recommend reading them,? commented Pam Richmond who mentioned that the series was ?great? and gave a four star review.

?The ?Exotic? billionaire romance series plays heavily on the tug-of-war between Marty and Joshua for the affections of Natasha. It?s interesting to see how the lead female resolves her interest in both men,? stated Caitlin Rain.

The author, Caitlin Rain would further remark, ?This book is similar to Fifty Shades of Grey, there?s a wealthy, sexy alpha male who?s a business tycoon, a young girl just out of college and many erotic scenes to savor. Readers will love these series of books.?

Readers can access the complete series box set of the billionaire romance series ?Exotic? from Amazon for a low price of just $3.99. The subscribers to Kindle Unlimited can receive the box set at zero cost.
