July 14, 2016 - PRESSADVANTAGE -

Mike Quin the owner and operations manager at Chula Vista Restorations Pros, the premier water damage and fire emergency services response company, announced today that they have partnered with local contractor marketing agency JumpContractor.com to help fulfill lead gen services.

"We're eager to keep building upon our success in Chula Vista and expect to expand and grow our team in the coming months. Business has been steady and we want to keep it that way. If we want to double our current team by 2017 we will need to focus our time and effort to areas of local marketing and advertising" said Mike Quin, CEO of Chula Vista Restorations Pros.

"When disaster strikes, leaving water damage or fire damage in its path, you need to act quickly to begin the emergency restoration clean-up," warned Quin. "It is crucial that you pick a restoration team with care. Water removal, fire damage and mold remediation are specific services and require the skilled trained professionals in this field."
