The Nomberg Law Firm, based in Birmingham, AL, is proud to announce that Birmingham magazine has chosen one of its lawyers, David P. Nomberg, as 2016 Top Attorney in the workers' compensation category. The Birmingham magazine, which focuses on various aspects of living in the city, wants to ensure residents are able to find legal advice from professionals who have proven to be successful through its 'Top Lawyers' award.

David Nomberg himself says: "I feel honored to have been featured in the Birmingham magazine April 2016 publication as top attorney. We are always ready to help community members get the legal help they often desperately need and to be awarded Top Lawyer by the Birmingham magazine shows that we are achieving our goals. We really want to thank our clients and the community as a whole, for their continued trust in us, and we encourage everyone to contact us to see if we can help them."

This year marks the fifth time in a row that David Nomberg has been given this award. He has also been recognized as a Top Attorney by B-Metro magazine and as a Super Lawyer by Super Lawyers magazine. The Nomberg Law Firm is a family business, which is why the recognition David has received is something

that also fills Bernard D. Nomberg, another lawyer in the firm, with pride.

The process of choosing who should be given the Top Lawyers 2016 awards was quite a lengthy one. The magazine surveyed more than 4,000 lawyers who registered with Birmingham Bar Association, asking them for their nomination for 35 practice areas. This has been the seventh year in which the monthly lifestyle magazine for Birmingham has conducted the survey and announced the top lawyers for the city.

The Nomberg Law Firm primarily represents injured workers throughout Alabama in workers' compensation cases. This is a right of workers to be given certain benefits when they are injured in the performance of work-related tasks. Both David and Bernard are AV Preeminent rated by Martindale-Hubbell.
